

Gorsuch Cub Scout Camp Parent and Leader Guide

Summer 2023

Register at scoutingalaska.org

Welcome to Gorsuch Cub Scout Camp;

After a successful and safe 2022 camping season we are very excited to return to camp this year and watch our Scouts learn and grow together, where they belong - outdoors and at their own Council camp! This year, as always, they will have many opportunities to get outside, have fun and learn new skills.

The 2023 Leaders Guide is designed to provide information so Scouts and their families, along with the unit leaders, can start making informed decisions about attending camp. While the guide does not cover all the topics, it does provide you with the important and known information at this time. As plans continue to develop, they will be posted on the Council website (scoutingalaska.org) and in the eTrail Talk. Please be sure to pay special attention to the Covid Section. The policies have been put in place to keep us all safe while we enjoy spending time together doing what we believe in, building the youth of our country.

It is our goal to support the aims and methods of Scouting at all of our camps to help Alaska's youth be physically strong, mentally awake, and morally straight.

Working at summer camp is also a great way for a Scout to spend their summer and the camps are always looking for good people. If you have a question about employment or anything else about camp please feel free to contact me.

See you at camp!

Mary Maresh
Camp Director

Camp Gorsuch

Camp Gorsuch is located on Mirror Lake and is part of the Rasmuson Scout Reservation.

The Cub Scout program at Camp Gorsuch has been designed to deliver an experience. One of the successful outcomes of that experience are activity awards, and other recognition that a Cub or Webelos Scout may have earned. Stated another way, emphasis is on the program experience, advancement is the recognition of the successful completion of that experience.

Our Camp operates 1 week this summer and . We offer a variety of programs, including aquatics, handicraft, archery, BB guns, and a well-stocked trading post.

The following information will help serve as a guide for your pack to have a wonderful summer camp experience. Camping is the great outdoor adventure of Scouting. The most crucial element of camping is that each scout should have the opportunity that the handbook promises.

In addition to our Summer Camp Program, the camp is the center for training adult leaders in the Cub Scout program.

How do we apply?

Registration begins on December 06, 2021 and is done online at <https://scoutingevent.com/?OrgKey=BSA610&view=1> (navigate to the camp you would like to register for using the camping dropdown menu). The deposit is \$25 per slot (youth and adult) you are reserving. **The deposit is non-refundable** but will be applied to your overall balance. New Scouts/ Webelos Crossovers get the best price no matter when they sign up. Call the Council Service Center to ensure the correct pricing.

Details:

Once camp has reached capacity, units will no longer be able to register. Units that bring large numbers to camp will have priority when assigned a campsite. Smaller units may have to share a campsite with another unit. Please note the February 28th and April 30th deadline to have your balance paid before late fees are assessed.

Leaders Fees:

Each unit is permitted two leaders at \$150 each when registering. Remember all units must have a minimum of 2 registered leaders. Cub Scout units are minimum of 2 but also follow a 1 1:4 leader to Cub Scout ratio. Tiger Scouts must have a Parent Partner with them at camp. Units serving female scouts must have a female registered leader over the age of 21 in attendance per YPT and NCAP guidelines. Units should recruit leaders who can stay the entirety of camp.

Re-charter:

The Great Alaska Council has moved to a school year charter calendar. Re-charter is due June 1, 2021. Units that do not re-charter will forfeit their registrations for camp. Refunds will not be given if a unit fails to re-charter. Remember: Only registered BSA members may attend a BSA Camp, work toward advancement and be covered by BSA liability insurance.

Refund Schedule

Requested by May 1st, 2023 may receive 100% less the deposit

Requested by May 15th, 2023 may receive 75%

Requested between May 16-31, 2023 may receive 50%

No Refunds after June 1 or if request is processed AFTER camp is concluded. Approved refund requests are processed AFTER camp has concluded.

Provisional Scouts: While the preferred method for a Scout to attend camp is with a unit, there are times that is not possible for them to do so. Scouts can attend as an individual known as a provisional Scout. Provisional Scouts will either be assigned to a host unit or provisional unit made up of other provisional Scouts with camp staff serving as unit leaders. There is a \$60 additional fee for a Scout to attend camp using this method. For additional information please call the Council Service Center at 907-337-9547.

Camp Rules and Regulations

It is the goal of the Great Alaska Council to provide a safe, quality program to the youth in our community. These policies are in effect for all Great Alaska Council camp properties.

PROHIBITED ACTIVITIES:

The following activities are forbidden without the express written consent of the Scout Executive or the Council Property Manager/Ranger.

Hunting - Snow machines - All Terrain Vehicles

The following activities are forbidden at all times and violators will be immediately escorted off camp property.

1. Starting fires with gasoline, oil, diesel fuel, lighter fluid, propane, etc.
2. Starting fires outside of designated areas. **No flames in tents or cabins!** This includes lit mosquito coils. Battery-powered light is the only acceptable light allowed in tents or cabins. Each site will keep a fire bucket (bucket provided) filled and ready.
3. Towing passengers on sleds, wagons, or any other conveyance not intended for such use.
4. Use of firearms (including air guns, slingshots, BB guns, or pellet guns) in any area other than the rifle/shotgun ranges at any time when authorized user groups are present in camp. **No other firearms or ammunition will be permitted at camp. No personal firearms allowed in camp.**
5. Use of Fireworks
6. Drug and alcohol laws will be strictly enforced according to the laws of the state of Alaska. **Absolutely no Alcohol or illegal Drugs will be allowed on camp property.**

The Scout Executive, Assistant Scout Executive, Director of Support Services, District Executives, Camp Director, and Camp Ranger may, at their sole discretion, direct individuals or groups to leave camp property for other serious misconduct not covered in this document.

Tobacco

Adult leaders should not use tobacco products around young people. Persons under 19 are not permitted to use tobacco products in the state of Alaska. Smoking is strictly forbidden in all camp buildings and tents. If you feel you must use tobacco, ask the Camp Director where the designated smoking area is.

Marijuana

It is unacceptable for anyone to use or be under the influence of marijuana and related products at or during any Scouting activity.

Chainsaw

BSA policy prohibits people operating a chainsaw on camp property unless they have met with the Camp Ranger and have completed the chainsaw safety briefing.

Vehicle Policy

The speed limit on all camp roads is 5 miles per hour. Parking is limited so we encourage units to carpool whenever possible.

It is the policy of the National Council, Boy Scouts of America that: **Seat belts are required for all occupants in vehicles. The driver must be currently licensed and at least 18 years of age. The beds of trucks or trailers must never be used for carrying passengers.**

The Council has a zero tolerance for violations of this policy. Anyone seen violating the letter or intent of this policy will be immediately removed from camp. The Camp Director and Ranger do not have any discretion in this matter and will notify the Scout Executive when such action has been completed.

Vehicles are not allowed outside the designated parking areas except during check-in and checkout periods and then only one per campsite. Special consideration will be given to units with disabled Scouts or leaders that require a vehicle near their campsite.

Health and Safety

All precautions for the safety of the Scouts will be taken. The first aid lodge is available with a qualified Health Officer on duty 24 hours a day. In addition, Great Alaska Council camps have agreements with a local physicians and hospitals in the event that additional medical treatment is deemed necessary. In the case of non-life threatening injury, the unit leader will be asked to provide transportation to the hospital or elsewhere as directed. Emergency services will be called in the case of accidents or illness of a more critical nature.

Scouts and leaders that are a danger to themselves and others will be asked to leave camp.

Immunization

All attendees are required to have adequate immunizations. Immunizations must meet the State of Alaska school attendance requirements; thus, many teenagers are already protected against preventable diseases such as measles, mumps and rubella. Those listed on the medical form must be obtained prior to attending camp.

Registration/Insurance

In accordance with national policy, every Scout and Scouter that attends summer camp must be registered with the Boy Scouts of America and adults need to be youth protection trained. The Great Alaska Council provides accident and illness insurance for all registered members of the Great Council. ***Scout units from outside the Council must provide certification of troop and/or Council accident and illness coverage.***

Medical Forms

All Scouts and Adults must have completed the ***Annual Health and Medical Record*** with Parts A, B, & C completed within the last **12 months** when attending camp for more than 72 consecutive hours.

Parts A and B need to be completed when attending camp for less than 72 consecutive hours. Medical forms are available online at www.scoutingalaska.org.

If a Scout or Scouter arrives to camp without an Annual Health & Medical Record form, it is the Scout or Scouter's responsibility to obtain the physical examination and complete the form before being allowed to enter camp.

All adults and Scouts will go through medical checks during check-in prior to entering camp.

Prescription Medications

The Health Officer is required to be informed of all prescription medications brought to camp by Scouts and Leaders. Medications are distributed one of two ways. The Health Officer will keep all medications at the Health Office in a locked cabinet and distribute them at meal times. Or if you choose to keep your prescription drugs in your campsite you must bring a lockable container to keep them in your campsite. You will also need to log the medication each time it is distributed. The log and lockable container must be available for the Camp Director or Health Officer to review at any time.

Footwear

No bare feet. Scouts will need sturdy shoes for hiking and spare shoes in case their shoes get wet.

COVID EXPECTATIONS

All participants/visitors must fill out the pre-screening questionnaire which can be found at <https://www.scoutingalaska.org/Camping>

All participants must have an updated health form accompanied by the Covid-19 risk forms These can be found at: <https://www.scoutingalaska.org/Camping>

Emergency Procedures

Emergency procedures will be posted on camp bulletin boards and in all campsites. As a general rule, Scouts and Leaders hearing air horns must report immediately to the camp muster point without delay. **Leaders must make their Scouts aware of this policy.**

Restricted Areas

1. Scouts are restricted from the staff areas at all times.

2. Campsites of other units are off limits and should not be visited or passed through without permission.

3. No raids allowed!! Raids cause personal and property damage and will be grounds for removal from camp. No refunds will be given to anyone removed from camp for raids or any other disciplinary problem.

No one may enter these hazardous areas without adult supervision: the waterfront, pond area, the obstacle course, and the BB Gun and Archery Ranges. **NO EXCEPTIONS!** No cell phone use of any kind is allowed at either the Archery or BB Range.

Valuables

Participants should not bring valuables to camp as there are no provisions for securing them (i.e. lockers).

Lost and Found

Items lost at camp may be claimed in the camp office. All other items may be found at the camps lost and found area. All unclaimed items will then be donated to charity 14 days after camp ends.

The Great Alaska Council is not responsible for personal items that are lost, stolen, or broken at camp. Any equipment or camp property damaged by the unit will be replaced by the unit (other than normal wear and tear).

Pets/ Animals

No pets of any kind may be brought into camp. Wild animals are not to be fed, teased, or captured.

Cell Phone Usage

While the Council does not have a policy for cell phone use by Scouts in camp, the Council does recommend the units attending camp establish rules of use by their Scouts in Camp.

Leaving Camp

No one, Scout or Leader, is to leave camp without first checking out at the Camp Office. This is for everyone's safety during a camp wide emergency. Persons leaving camp must also check in upon returning to camp. Leaders needing to send Scouts home during the week need to report it to the Camp Director.

Statement of Non-Discrimination

No person will, on the grounds of race, color, or national origin, gender, religion, sexual orientation, or handicap be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity of the Great Alaska Council, Boy Scouts of America

Garbage & Food in Campsites

Each unit is responsible for disposing of their garbage in their campsites **daily**. All foods and smellables must be in the bear boxes provided in the campsites. In compliance with Department of Health regulations and the National Standards of the Boy Scouts of America, the storage of perishable foods in campsites is not allowed. This includes all dairy products and meat.

Campsite Inspections

Campsites and cabins will be inspected daily to ensure the health and safety of all campers. A clean cabin and campsite is, of course, important to all Scouts, and helps to keep our camp free of wildlife.

Unit Leadership

Each unit must have two **registered** adult leaders with Youth Protection Training in camp at all times.

Effective, Oct. 1, 2018, two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. This is a change from the previous policy where one leader could be 21 years of age or older with a second leader who could be 18 years of age or older.

There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth.

All adult leaders must have appropriate medical forms.

Responsibilities of a Leader in Camp

The leader's primary responsibility in camp is the safety of the Scouts 24 hours a day. You, as leaders, are an extension of the camp staff. Some of you have a great deal of knowledge of camping lore, and as such, will be asked to help in some of the program areas. All leaders will be expected to maintain control of the Scouts in their unit at all times. Pack leaders are responsible for discipline within their unit. Time out is effective; corporal punishment is prohibited!

Please stay together as a group at all times. Do not let Scouts go anywhere alone. Camp leaders **may not** bring other children or siblings to Camp.

Bear Training

In accordance with the Council's Bear Policy all camp participants will attend a bear safety training at the beginning of each camp session.

Buddy System

Great Alaska Council Camps always use and enforce the "Buddy System" with campers. Every camper should have a designated buddy and stay with them all the time. If you see a lone camper, ask them "Where's your buddy?" This will help maintain safety and avoid lost campers.

Preferred Payment Method:

We prefer that you pay by check, either a single check or checks payable to BSA. **This is a change from the past.** You are welcome to use online payments but keep in mind you will be charged a service fee. Credit card processing fees cost the Council over \$12,000 last year. The Council will manually update your online payment forms.

Fishing

Fishing in Mirror Lake is for the Scouts and leaders. Catch and release is preferred. If you keep a fish you must properly clean, cook and eat it. A fishing license is required for anyone 16 years or older.

Knives

Knives will only be used in campsites WITH THE SUPERVISION OF AN ADULT and in designated program areas. Boys and adults will need to have a Whittling Card to use a knife at camp. Knives may be confiscated if used improperly.
NO SHEATH KNIVES ALLOWED.

Accommodations

Green Wall Tents

Wolves, Bears, and Webelos as well as their leaders may also stay in tent campsites consisting of at least six tents, accommodating at least 15 boys and two leaders. We will do everything we can to keep packs together; but in some cases two packs may share a campsite. Tents will be filled on a first-come-first-served basis, with a limited availability. Two adults of the same sex, or a married couple will stay in one of the six tents in the campsite. All other adults will stay in adult overflow. The only time an adult may share a tent with a youth in a "one on one" situation is if the adult is the parent of the youth.

If your unit would prefer to bring their own tents and camp on the ground this is also an option.

Showers

Shower facilities are located in the bathhouse. Since the bathhouse has individual showers privacy is guaranteed, but shower shoes may still be desired. Please note that these showers are on a timer. Please have all Scouts use the sinks in the bathrooms for brushing teeth. Outhouses and bathrooms are to be used, not the trees!

Accommodations and Facilities

Wolf and Bear resident campers may stay in cabins. ***(BSA policy states Tigers may only attend resident camp with a parent. If a parent is not in attendance then the Tiger may only attend Day Camp.)***

The cabins are equipped with 8 bunks (sleeps 6 Scouts and 2 adults) and a place to hang uniforms. Two adults of the same sex or a married couple will sleep in each of the cabins. In some cabins, more than one pack may be sharing cabins. If this is the case it will be necessary for one leader from each pack to stay in the cabin.

Leaders who are not staying in the cabins with the Scouts will stay in the designated adult overflow **campsite** for male or female. For this reason, it is important to notify the

camp director how many male and how many female leaders (not just the number of leaders) will be staying overnight.

No motor homes or campers are allowed due to parking limitations.

Dining Hall

Meals are served cafeteria-style. Adults should sit with their pack. Extra parents at meals may or may not be a problem, please call in and ask for possible meal reservations. The paid campers get to eat first! After the meal, packs are assigned to assist with clean up. As part of their program Webelos scouts will cook their evening meals in their campsites. Den Chiefs will assist.

Packs will be issued meal bracelets for each leader upon check-in. Additional bracelets will not be issued, rotating leaders/chaperones are responsible for giving their bracelet to the next person. Families are always welcome to come to camp and share in their son's experience. Please let the Camp Director know how many additional people will be dining with us on Friday night so the cooks can prepare for them.

Special dietary needs (allergies-not preferences) can be met by informing the Camp Director at least 2 weeks prior to arrival to ensure adequate menu items can be obtained. This information will also be collected via the online registration process. The Camps use peanuts and peanut products in the camp kitchens.

Camp Check-In Procedures

Arrival Schedule:

When your Pack arrives in camp, the staff will be in the parking lot to meet you. A questionnaire and new health form will be required for all participants, along with the covid waiver. All of these forms can be located at <https://www.scoutingalaska.org/>

The tour leader needs to check in at the office with the Camp Director on Monday evening.

Individual Scouts need to check in with their Pack leadership in their assigned cabin or campsite and do not need to come to the office.

The Tour Leader must bring the following to Check In:

1. Current camp roster.
2. Proof of accident insurance coverage (*note: only required if coming from out-of-Council*)
3. **The Annual Health Form is required and #680-001 must be completed for attendance at camp.**
4. Any Camp fees that need to be reconciled. Please bring the unit's latest invoice to reconcile the camp roster to fees paid.

Resident Campers

Resident campers will need to arrive on Monday night after dinner, between 7 and 8:00 PM. The gate is kept locked until 7:00 PM. It is strongly recommended that the Pack carpool to camp, as parking is limited. Meet at a designated place in town to check attendance and health forms prior to camp arrival. When you arrive, a member of the camp staff will help you find your assigned campsite or cabin. One adult needs to check-in at the camp office by submitting your rosters and health forms, reconciling fees, getting meal bracelets, and turning in medications (any boy turning in the medication needs to see the camp nurse so a picture can be taken for proper identification).

Day Campers

Day campers participate in the same fun activities as the resident campers. The only difference is, they go home in the afternoon and come back the next morning. The registration fee pays for lunches, dinner on Friday, a patch and program supplies. On Tuesday morning, one adult from your pack needs to check-in with the Camp Director by submitting your roster and health forms, reconciling fees, getting meal bracelets, and turning in medications. When the Scouts arrive, go to the Parade Field where they will be greeted by camp staff and directed where

to go. Program begins promptly at 9 AM. Those units with just day campers may meet with the Camp Director on Monday of the week they are coming between 2-4 PM to take care of paperwork.

On Friday, the last day of camp, it is the Pack leadership's responsibility to ensure that Scouts are picked up by their parent/guardian or an adult designated by them. The closing campfire ends around 8:00 PM!

On Friday, wearing theme related costumes is strongly encouraged. Demonstrate your spirit and Scouting pride by being the best-uniformed pack in camp!

Dealing With Homesickness

A 1988 edition of the American Camping Association magazine reported that Homesickness is a very real and natural emotion that can occur when anyone leaves familiar surroundings. Young Scouts generally handle it very well. Parents are asked NOT to telephone Scouts at camp, except in the case of an emergency... and likewise, Scouts are urged not to call home. This can actually cause homesickness.

Quiet Hours

Each Scout is asked to remain in their campsite and observe quiet hours between 10:00 PM and 7 AM.

Trading Post

The trading post at Camp Gorsuch is stocked to handle most of the needs of the Scouts and leaders during their stay at camp. You'll find items like mosquito repellent and After Bite, toothpaste and toothbrushes, soap and shampoo. Plus, there are official BSA items like pocket knives, compasses, flashlights, and first aid kits. There are craft kits, souvenirs, Cub Scout Handbooks, and patches. And if you're hungry, there are soft drinks, juice, candy, crackers, and more! It is recommended that each Scout bring \$35 to \$50 for purchases at the Trading Post.

The Role of Leaders in Camp

The pack must maintain the 1 leader to 4 camper ratio with 2 deep leadership at all times. Effective, Oct. 1, 2018, two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. This is a change from the previous policy where one leader could be 21 years of age or older with a second leader who could be 18 years of age or older. " **There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth.**

Any parent male or female, of a Scout may be a leader in camp with the approval of the Pack Committee. Non-parent adults who wish to be a leader must complete an adult application and complete youth protection training. All adult leaders need to have their necessary health forms on file in the health lodge.

Your Responsibilities:

Have Fun! Participate with the Scouts, help them and guide them. Help your Camp Den Chief. They will be a trained staff member who will serve as your guide throughout the week.

Take Attendance. A Daily Log will be provided. Den Chiefs will have the forms and help take attendance daily.

Maintain Discipline in your group. The Gorsuch staff wants every Scout to have a good time and learn as much as possible. If Scouts are unruly, it makes it hard for anyone to focus their attention on learning.

Set a Good Example. You will be expected to follow the rules, regulations, and values of the Boy Scouts of America and those of Rasmuson Scout Reservation. You will be setting the example for your Scouts.

Evaluate! Your input is very valuable and we need to know what you think! Many suggestions made by leaders have been implemented immediately... You Really Do Make a Difference!

Evening Activities

The Gorsuch staff works hard to ensure that your evening program is as much fun as your daytime program. Tuesday evening your camp staff will entertain you with the opening campfire. Wednesday evening we will observe vespers in Dan's Palace, followed by the marble tournament, horseshoes, and chess and checkers with the staff. Webelos only can also participate in the rock wall as well as spend time out at the BB and Archery Range to complete their Shooting Sports Awards. Thursday evening is open program. Please feel free to invite your families to come out and enjoy Camp Gorsuch on this night as the extra adults will allow each Scout to choose the activities they want to participate in the most. The BB and Archery Ranges as well as Waterfront will be open, and require an adult leader with each group of Scouts. There will be other activities open including a field game, that will not require adults to be present.

Leave No Trace

All of the camp properties of the Great Alaska Council teach and practice the principles of Leave No Trace. Leaders and Scouts are encouraged to take advantage of the training opportunities that are offered at each camp.

Pre-Camp Meetings

We will have a pre-camp meeting to give you a preview of your camp and answer any questions! Watch for notices through eTrail Talk.

What to Bring for Resident Camp

Here is a list of items recommended to bring to camp. Remember that you are packing for 4 nights and 4 days... rainy days are likely. Please mark clothing with Scouts' names and Pack numbers on them so they can bring it back home. Metal or other such items can be marked with adhesive tape or etched with a nail or other sharp object.

For travel to camp, all campers should wear their camp T-shirt with either Scout pants or blue jeans. The complete Scout Field Uniform is recommended wear for campers during the evening meal.

Bear Aware

Gear Shelter

Smellables, food, packs, and day clothes are stored outside of tents. Gear should never be stored in tents or areas where someone sleeps. Bears enjoy investigating gear and the smells that are within. As part of our bear and wildlife procedures we require that troops store their gear in one central location in their campsites. Troops should bring a pop up shelter or tent to keep gear out of the elements.

Only items in tents:

- sleeping bags
- sleeping pads
- sleeping clothes
- pillows

Bear boxes are kept away from tent pads.

Travel with a buddy at all times!

Dispose of trash properly & lock the lid.

Be tree safe. Only use established toilets or latrines.

Never run from a bear.

Transient bear:

- Move out of its way.
- Report sighting to staff.

Local bear and returning bears:

- Move out of the bear's path.
- Stay in a group.
- If the bear causes an issue, deter the bear with loud noise.
- Contact staff immediately.

Repeat offender bear:

- Deter bear from camp with loud noise.
- Stay in a group.
- Contact staff immediately.

Only if necessary, the APD or ADFG will be contacted to take appropriate measure to remove the bear.

For the complete Council Bear Policy, please see the Council website.

CAMPERSHIP-SCHOLARSHIP FUND

We are committed to giving every Scout an opportunity to attend our camps regardless of their financial situation. Funds are raised specifically to achieve this goal, but it is a finite amount and we divide funds according to the fairest distribution possible. In addition to these funds, some Units have money specifically earmarked to also aid families seeking assistance with camp fees that we encourage you to look into if needed.

If you feel the process and funds awarded did not accurately represent your financial situation you may appeal to the Great Alaska Council, Scout Executive for a review and additional monies.

PLEASE READ INSTRUCTIONS BELOW

INSTRUCTIONS TO PARENTS OR GUARDIANS APPLYING FOR CAMPERSHIPS.

When you have completed the application, mail it to Great Alaska Council, Boy Scouts of America, at address shown below. Your application is confidential.

Camperships can be turned in anytime and will be announced periodically (once a month minimum).

After your scouts attend camp we require a letter from each boy telling us of their experience and the benefits they received from attending camp. This letter will be given to the supporters of the Campership program thanking them for their generous donation and how it benefited the Scout that attended.
