

Camp Gorsuch Scouts BSA Leaders Guide

Summer 2022

Welcome to Camp Gorsuch;

We are very excited for camp this year. After a successful 2021 season we know we can deliver a safe and effective program. It continues to be our goal to support the aims and methods of Scouting at camp and to help Alaska's youth be physically strong, mentally awake, and morally straight. We can't wait to watch our Scouts learn and grow together, where they belong - outdoors and at their own Council camp! As Baden-Powell said "A week of camp life is worth six months of theoretical teaching in the meeting room."

This year, as always, they will have many opportunities to get outside, have fun and learn new skills. Cope and Climbing will be returning and we are developing a Silver Sourdough program that will challenge our older Scouts.

The 2022 Leaders Guide is designed to provide information so Scouts and their families, along with the unit leaders, can start making informed decisions about attending camp. While the guide does not cover all the topics, it does provide you with the important and known information at this time. As plans continue to develop, they will be posted on the Council website (scoutingalaska.org) and in the eTrail Talk. Please be sure to pay special attention to the Covid Section. The policies have been put in place to keep us all safe while we enjoy spending time together doing what we believe in, building the youth of our country.

Working at summer camp is also a great way for a Scout to spend their summer and the camps are always looking for good people. If you have a question about employment or anything else about camp please feel free to contact me.

See you at camp!

Mary Maresh
Camp Director

Camp Gorsuch

Camp Gorsuch, located on Mirror Lake, is part of the Rasmuson Scout Reservation offering long term camping (5 nights) to Boy Scouts from the Great Alaska Council and our visiting Councils. It is one of three traditional resident camps operated by the Council. Camp Gorsuch is a 204-acre tract of land dedicated to offering Scouts the chance to experience the beauty of the outdoors.

As part of its Vision Statement, Camp Gorsuch strives to:

- Provided year round facilities to support the Boy Scout program ... development of stronger families, training to become better citizens and leaders, and the instilling of ethical character.
- Offer young people challenging, responsible fun, adventure and opportunities to grow physically, mentally, and morally regardless of physical abilities.
- Foster an appreciation for the out-of-doors and an understanding of the importance of our environmental stewardship responsibilities.

Desired outcomes for Scouts attending Camp Gorsuch include but not limited to:

- Stronger personal values and character
- Continued desire to learn
- Social Adeptness
- Positive sense of self-worth and usefulness

The program at Camp Gorsuch has been designed to deliver an experience. One of the successful outcomes of this experience are merit badges, activity awards, and other recognition that a Scout may have earned. Stated another way, emphasis is on the program experience, merit badges recognize the successful completion of that experience.

Our Camp operates 2 weeks during the summer and Scouts sleep in unit provided tents. Meals are provided through the Gorsuch Dining Hall. We offer a variety of programs, merit badges and, of course, a well stocked Trading Post.

The following information will help serve as a guide for your Troop to have a wonderful Summer Camp Experience. Camping is the great outdoor adventure of Scouting. The most crucial element of camping is that each Scout should have the opportunity of adventure promised in the Boy Scout Handbook.

In addition to our Summer Camp Program, the camp is a center for training adult leaders in the Boy Scout program.

Nanuk Lodge, of the Order of the Arrow, Scouting's honor society, utilizes the camp throughout the year for fellowship and service gatherings. Their service, combined with that of the Council Properties Committee, provides countless man-hours of up keep for the camp.

2022 Camp Fees & Fee Schedule

	Dates	Type	Fees until 2/28/22	Fees After 5/1/22
Gorsuch - Scouts BSA	July 10 - 15	Youth	\$350	\$450
	July 17-22	Adult	\$225	\$275
Gorsuch - Cub Scouts Day Camp	June 27 - July 1	Youth	\$300	\$400
		Adult	\$170	\$220
Eagle River Scout Camp - Scouts BSA	June 12 - 17	Youth	\$350	\$450
		Adult	\$225	\$275

**Webelos crossovers and new Scouts get the Unit's best price!

Important Dates:

Base prices from 2020 have not changed, like many other camps we have implemented a “Covid-19” Surcharge of \$20 to assist in bridging the costs of health and safety supplies we must have in order to provide not only a fun program, but a safe and healthy one. Registration is a first come basis and with Covid limitations we will be required to operate at a lower capacity than in years prior, so don't delay!

- 12/06/21 Registration opens, \$25 per person deposit required to reserve your slots.

- 2/28/22 50% of total camp fees due to maintain price for camp. Units without 50% of fees paid will have their fees increased to the new price.

- 4/30/22 100% of camp fees due. Any registrations with unpaid balances will have their fees increased on May 1.

- 5/1/22 Merit Badge sign-ups begin (Scouts BSA Camp)

How do we apply?

Registration begins on December 06, 2021 and is done online at www.scoutingalaska.org (navigate to the camp you would like to register for using the camping dropdown menu). The deposit is \$25 per slot (youth and adult) you are reserving. The deposit is non-refundable but will be applied to your overall balance. New Scouts/ Webelos Crossovers get the best price no matter when they sign up. Call the Council Service Center to ensure the correct pricing.

Details:

Once camp has reached capacity, units will no longer be able to register. Units that bring large numbers to camp will have priority when assigned a campsite. Smaller units may have to share a campsite with another unit. Please note the February 28th and April 30th deadline to have your balance paid before late fees are assessed. On May 28, 2022 the online registration process will be shut down. To make a registration or edit at that time, contact the Camp Director, Program Director or Council Office.

Leaders Fees:

Each unit is permitted two leaders at \$130 each when registering. Remember all units must have a minimum of 2 registered leaders. Cub Scout units are minimum of 2 but also follow a 1:4 leader to cub scout ratio. Units serving female scouts must have a female registered leader over the age of 21 in attendance per YPT and NCAP guidelines. Units should recruit leaders who can stay the entirety of camp. To lessen the chance of transmissions, rotating leaders will be highly discouraged and may not be allowed when camp occurs.

Re-charter:

The Great Alaska Council has moved to a June – July calendar. Re-charter is due June 1, 2022. Units that do not re-charter will forfeit their registrations for camp. Refunds will not be given if a unit fails to re-charter. Remember: Only registered BSA members may attend a resident camp, work toward advancement and be covered by BSA liability insurance.

Refund Schedule

Requested by May 1, 2022 will receive 100%

Requested by May 15th, 2022 will receive 75%

Requested between May 16-31, 2022 will receive 50%

No Refunds after June 1 or if request is processed AFTER camp is concluded. Approved refund requests are processed AFTER camp has concluded.

Provisional Scouts:

While the preferred method for a Scout to attend camp is with a unit, there are times that it is not possible for them to do so. Scouts can attend as an individual known as a provisional Scout. Provisional Scouts will either be assigned to a host unit or provisional unit made up of other provisional Scouts with camp staff serving as unit leaders. There is a \$60 additional fee for a Scout to attend camp using this method. For additional information please call the Council Service Center at 907-337-9547.

Camp Rules and Regulations

It is the goal of the Great Alaska Council to provide a safe, quality program to the youth in our community. These policies are in effect for all Great Alaska Council camp properties.

PROHIBITED ACTIVITIES:

The following activities are forbidden without the express written consent of the Scout Executive or the Council Property Manager/Ranger:

Hunting - Snow machines - All Terrain Vehicles

The following activities are forbidden at all times and violators will be immediately escorted off camp property.

1. Starting fires with gasoline, oil, diesel fuel, lighter fluid, propane, etc.
2. Starting fires outside of designated areas. **No flames in tents!** This includes lit mosquito coils. Battery-powered light is the only acceptable light allowed in tents. Each site will keep a fire bucket (bucket provided) filled and ready.
3. Towing passengers on sleds, wagons, or any other conveyance not intended for such use.
4. Use of firearms (including air guns, slingshots, BB guns, bows and arrows or pellet guns) in any area other than the rifle/shotgun/archery ranges at any time when authorized user groups are present in camp. **No other firearms or ammunition will be permitted at camp. No personal firearms allowed in camp.**
5. Use of Fireworks
6. Drug and alcohol laws will be strictly enforced according to the laws of the state of Alaska. **Absolutely no Alcohol or illegal Drugs are allowed on camp property.**

The Scout Executive, Assistant Scout Executive, Director of Support Services, District Executives, Camp Director, and Camp Ranger may, at their sole discretion, direct individuals or groups to leave camp property for other serious misconduct not covered in this document.

Tobacco

Adult leaders should not use tobacco products around young people. Persons under 19 are not permitted to use tobacco products in the state of Alaska. Smoking is strictly forbidden in all camp buildings and tents. If you feel you must use tobacco ask the Camp Director where the designated smoking area is.

Marijuana

It is unacceptable for anyone to use or be under the influence of marijuana and related products at or during any Scouting activity.

Chainsaw

BSA policy prohibits people operating a chainsaw on camp property unless they have met with the Camp Ranger and have completed the chainsaw safety briefing.

VEHICLE POLICY

The speed limit on all camp roads is 5 miles per hour. Parking is limited so we encourage units to carpool whenever possible.

It is the policy of the National Council, Boy Scouts of America that: **Seat belts are required for all occupants in vehicles. The driver must be currently licensed and at least 18 years of age. The beds of trucks or trailers must never be used for carrying passengers.**

The Council has a zero tolerance for violations of this policy. Anyone seen violating the letter or intent of this policy will be immediately removed from camp. The Camp Director and Ranger do not have any discretion in this matter and will notify the Scout Executive when such action has been completed.

Vehicles are not allowed outside the designated parking areas except during check-in and checkout periods and then only one per campsite. Trailers not blocking the road may remain in the campsite. Special consideration will be given to units with disabled Scouts or leaders that require a vehicle near their campsite.

HEALTH AND SAFETY

All precautions for the safety of the Scouts will be taken. The first aid lodge is available with a qualified Health Officer on duty 24 hours a day. In addition, Great Alaska Council camps have agreements with local physicians and hospitals in the event that additional medical treatment is deemed necessary. In the case of non-life threatening injury, the unit leader will be asked to provide transportation to the hospital or elsewhere as directed. Emergency services will be called in the case of accidents or illness of a more critical nature. Scouts and leaders that are a danger to themselves and others will be asked to leave camp.

Immunization

All attendees are required to have adequate immunizations. Immunizations must meet the State of Alaska school attendance requirements; thus, many teenagers are already protected against preventable diseases such as measles, mumps and rubella. Those listed on the medical form must be obtained prior to attending camp.

Registration/Insurance

In accordance with national policy, every Scout and Scouter that attends summer camp must be registered with the Boy Scouts of America and adults need to be youth protection trained. The Great Alaska Council provides accident and illness insurance for all registered members of the Great Alaska Council. **Scout units from outside the Council must provide certification of troop and/or Council accident and illness coverage.**

Medical Forms

All Scouts and Adults must have completed the **Annual Health and Medical Record** with Parts A, B, & C completed within the last **12 months** when attending camp for more than 72 consecutive hours. Parts A and B need to be completed when attending camp for less than 72 consecutive hours. Medical forms are available online at www.scoutingalaska.org.

If a Scout or Scouter arrives to camp without an Annual Health & Medical Record form, it is the Scout or Scouter's responsibility to obtain the physical examination and complete the form before being allowed to enter camp.

All adults and Scouts will go through medical checks during check-in prior to participating in any camp activities..

Prescription Medications

The Health Officer is required to be informed of all prescription medications brought to camp by Scouts and Leaders. Medications are distributed one of two ways. The Health Officer will keep all medications at the Health Office in a locked cabinet and distribute them at meal times. If you choose to keep your prescription drugs in your campsite you must bring a lockable container to keep them in your campsite. You will also need to log the medication each time it is distributed. The log and lockable container must be available for the Camp Director or Health Officer to review at any time.

Footwear

No bare feet. Scouts will need sturdy shoes for hiking and spare shoes in case their shoes get wet.

COVID EXPECTATIONS

Upon arrival in camp all participants must have their temperature taken and answer questions regarding their health, as well as sign in. It will be very important this year that we know who is in camp, and when they were here.

In addition the following rules will be in place:

- 1. Masks will be required indoors, except when eating or during swimming activities.**
- 2. Social Distancing whenever possible.**
- 3. Hand washing and/or hand sanitizing before entering and leaving a program area.**
- 4. Temperature checks will be required when entering camp. All visitors must go through the screening process before entering camp and sign in and out.**
- 5. All participants/visitors must fill out the pre-screening questionnaire which can be found at <https://www.scoutingalaska.org/Camping>**
- 6. All participants must have an updated health form accompanied by the Covid-19 risk forms These can be found at: <https://www.scoutingalaska.org/Camping>**
- 7. Anyone who does not, or chooses not, to comply will not be permitted to stay. If this affects a unit's leadership at camp then the unit will also need to leave if they can not find a replacement. There will be no refunds for units, scouts or individuals who do not comply with the health and safety standards, or have to leave because their leadership didn't comply. These expectations are subject to change.**

EMERGENCY PROCEDURES

Emergency procedures will be posted on camp bulletin boards and in all campsites. As a general rule, Scouts and Leaders hearing air horns must report immediately to the camp muster point without delay. **Leaders must make their Scouts aware of this policy.**

Restricted Areas

1. Scouts are **restricted from the staff areas at all times.**
2. Campsites of other units are **off limits** and should not be visited or passed through without permission.
3. **No raids allowed!!** Raids cause personal and property damage and will be grounds for removal from camp. No refunds will be given to anyone removed from camp for raids or any other disciplinary problem.

VALUABLES

Participants should not bring valuables to camp as there are no provisions for securing them (i.e. lockers).

Lost and Found

Items lost at camp may be claimed in the camp office. All other items may be found at the camp's lost and found area. All unclaimed items will then be donated to charity 14 days after camp ends.

The Great Alaska Council is not responsible for personal items that are lost, stolen, or broken at camp. Any equipment or camp property damaged by the unit will be replaced by the unit (other than normal wear and tear).

PETS / ANIMALS

No pets of any kind may be brought into camp. Wild animals are not to be fed, teased, or captured.

Cell Phone Usage

While the Council does not have a policy for cell phone use by Scouts in camp, the Council does recommend that the units attending camp establish rules of use by their Scouts in Camp.

LEAVING CAMP

No one, Scout or Leader, is to leave camp without first checking out at the Camp Office. This is for everyone's safety during a camp-wide emergency. Persons leaving camp must also check in upon returning to camp. Leaders needing to send Scouts home during the week need to report it to the Camp Director.

Statement of Non-Discrimination

No person will, on the grounds of race, color, or national origin, gender, religion, sexual orientation, or handicap be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity of the Great Alaska Council, Boy Scouts of America.

CAMP FACILITIES

The buildings and developed areas provided: troop campsites, commissary, Dining Hall, trading post, Dan's Palace, shooting sports range, COPE course, showers, program areas and waterfront.

Campsites are provided with a water faucet, picnic tables, bear box, latrines, bulletin board with safety guidelines posted. **Troops are expected to provide their own tents. If your Troop is unable to provide its own tents, please notify the Great Alaska Council.**

DINING HALL

Meals

All meals will be served in the dining hall. Troops will be responsible for cleanup of the tables they have used. In addition troops will take turns emptying the trash cans after each meal. After any meal troops have elected to have in their campsites, all trash will have to immediately be brought to the nearest dumpster for disposal. No trash may be left in the campsite.

Dietary Needs

Special dietary needs can be met by **informing the Camp Director at least 2 weeks prior to arrival** to ensure adequate menu items can be obtained. This information will also be collected via the online registration process. In some cases the Scout's family may be asked to provide specialty food items. The Camps use peanuts and peanut products in its camp kitchens.

BICYCLE SAFETY RULES

Campers, Adult Leaders, and Staff may use bicycles in camp. There will be a mandatory safety meeting for anyone wishing to use a bike in camp. Please observe the following rules:

1. Properly fitted helmets are required.
2. The camp speed limit is 5 miles per hour.
3. The bicycle must be in good repair and should be inspected before use.
4. Bicycles are only allowed on the road system. Bicycle privileges may be revoked for failure to abide by guidelines set forth in this meeting.

CAMPSITE EXPECTATIONS

Garbage & Food in Campsites

All foods and smellables must be in the bear boxes provided in the campsites. In compliance with Department of Health regulations and the National Standards of the Boy Scouts of America, the storage of perishable foods in campsites is not allowed. This includes all dairy products and meat.

Gear Shelter

Gear should never be stored in tents or areas where someone sleeps. Bears enjoy investigating gear and the smells that are within. As part of our bear and wildlife procedures we require that Troops store their gear in one central location in their campsites. Troops should bring a pop up shelter or tent to keep gear out of the elements.

Campsite Inspections

Campsites and cabins will be inspected daily to ensure the health and safety of all campers. A clean cabin and campsite is, of course, important to all Scouts, and helps to keep our camp free of wildlife.

Unit Leadership

Each unit must have two *registered* adult leaders, 21 years of age or older, with Youth Protection Training, in camp at all times. Scouts BSA Girls troops must have at least one female adult leader. For the sake of continuity two primary leaders should be present for the entire week. **All adult leaders must have appropriate medical forms.**

RESPONSIBILITIES OF A LEADER IN CAMP

The leader's primary responsibility in camp is the safety of the Scouts 24 hours a day. You, as leaders, are an extension of the camp staff. Some of you have a

great deal of knowledge of camping lore, and as such, will be asked to help in some of the program areas. All leaders will be expected to maintain control of the Scouts in their unit at all times. Please stay together as a group at all times. Do not let Scouts go anywhere alone. Camp leaders **may not** bring other children or siblings to camp.

BEAR TRAINING

In accordance with the Council's bear policy all camp participants will attend a bear safety training at the beginning of each camp session.

Buddy System

Great Alaska Council Camps always use and enforce the "Buddy System" with campers. Every camper should have a designated buddy and stay with them all the time. If you see a lone camper, ask them "Where's your buddy?" This will help maintain safety and avoid lost campers.

Quiet Hours

Each Scout is asked to remain in their campsite and observe quiet hours between 10:00PM and 6:30 AM.

Preferred Payment Method:

We prefer that you pay by check, either a single check or checks payable to BSA. You are welcome to use online payments but keep in mind you will be charged a service fee. Credit card processing fees cost the Council over \$13,500 last year. The Council will manually update your online payment forms.

Camp Dates, Location, Address, & Phone

Camp Dates

Week #1 -Scouts BSA	July 10-15
Week #2 -Scouts BSA	July 17-22

Camp Location

Camp Gorsuch is located halfway between Anchorage and Wasilla off the Glenn Highway off the Mirror Lake exit.

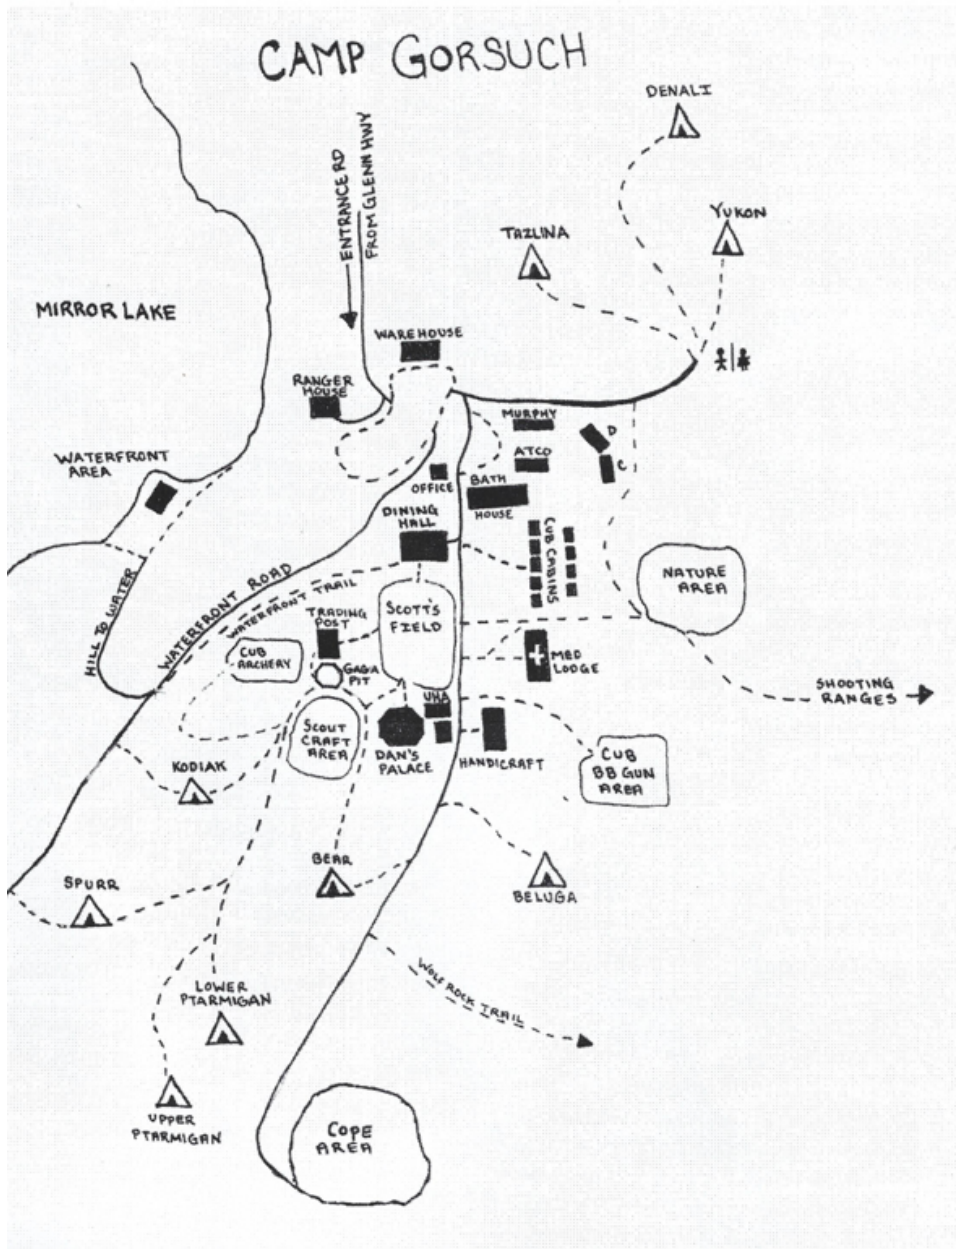

Camp Address

Scout's Name
Troop Number
Camp Gorsuch
22700 Camp Gorsuch Road
Chugiak, AK 99567

Camp telephone (907) 688-9537

Please do not call unless it is truly an emergency.

There is one telephone in camp and it is used for camp business only. Do not expect to talk with the leader or your son if you call. We have over 200 acres and meal times are the only times we can find them.

Checking Into and Out of Camp

The Tour Leader must bring the following to Check In:

1. Current camp roster and Tour Plan.
2. Proof of accident insurance coverage (note: only required if coming from Out-of-Council).
3. **The Annual Health Form is required #680-001** form must be completed for *all* participants.
4. Any Camp fees and fees that need to be reconciled. Please bring the unit's latest invoice to reconcile the camp roster to fees paid.

Arrival Schedule:

When your troop arrives in camp, the staff will be in the parking lot to meet you. **Every participant will have to have their temperature taken prior to being allowed into camp. In addition a questionnaire and new health form will be required for all participants, along with the covid waiver. All of these forms can be located at <https://www.scoutingalaska.org/>**

Your Troop Guide will take you to your campsite, to unload your gear. If you are participating in a waterfront merit badge you will need to prepare for the swim check. Troop Guides will then take the scouts on a tour of camp and down to the waterfront for swim checks, while a leader goes to the dining hall for check in.

Early Arrivals

For those units traveling a long distance, early arrival will be approved upon request. However, note the following points: Contact the Camp Director to find out where your campsite is. Please do not take it upon yourself to change campsites. It will do nothing but create hard feelings because you **will** have to move. Please do not move bear boxes; picnic tables; etc. from other campsites into your own. The camp and all program areas are closed; please do not expect any services unless your unit has made arrangements with the Camp Director. Please respect staff quarters.

Check Out:

After closing campfire Blue Card Pickup will be up at porch of the dining hall. Health forms and any meds will be returned at this time. Campsite check out is done by Troop Guides when you are ready. Please arrange your time for checkout with your Troop Guide by Thursday.

Camp Gorsuch Program

Camp Gorsuch is proud of its diversified and exciting program. The following information will help you become familiar with our program. Take some time to review in detail what is going on and what is new for 2022!

Senior Patrol Leaders

The SPL are the leaders of the Troop. It is essential for each Troop to have one elected. SPL meetings are held daily and are designed to be an opportunity for the troops to receive updates on the events or the schedule, and to fill out the duty roster with the Program Director. During these meetings you can bring up questions or concerns your Troop may have.

Camp Staff

Young men and women, ages 15 and above by the time camp starts are eligible to apply for a camp staff position. Applications for camp staff positions may be obtained at the Great Alaska Council Service Center or online at scoutingalaska.org/camping. Compensation is a stipend based on position and experience. Room and board are provided for camp staff. Staff in Training (S.I.T.) are 14-year-old Scouts who wish to learn about Staff positions at camp. Those selected to participate in the S.I.T. program will receive room and board at no cost. The minimum time for a S.I.T. to be at camp is staff week and one week of camp. The maximum is staff week and two weeks of camp.

Uniforms:

We encourage your Scouts to wear full uniforms for evening flag ceremonies each day, as well as the opening and closing campfire. Through the day, encourage them to wear Scout short/pants and some Scout related shirt/t-shirt. The uniform is an important part of the Scouting program.

Swim Test

All Scouts and Scouters that wish to use the waterfront in any manner will be required to take a swim test at summer camp. Due to the differences between swimming in a pool and swimming in a natural body of water it is important that the Waterfront staff be able to evaluate a Scout's swimming ability in the water that they will be swimming in at camp.

Cheechako Trail - *First-Year Scout Program*

The Cheechako Trail program is designed for those campers who are new to Boy Scouting. It helps new Scouts get oriented to camp, make friends, and learn the skills needed for Tenderfoot, Second Class, and First Class Ranks.

Adult leaders are encouraged to help on the Cheechako Trail. The more leaders the better! At the end of the week, Scoutmasters will be provided with forms indicating those skills which were satisfactorily shown to the instructor. Nothing is signed in the BSA Handbook. The Scoutmaster may wish to review skills before signing the book.

Cheechakos can also spend time working on other merit badges. They also earn Firem'n Chit, Totin' Chip and the Paul Bunyan Woodsman Award

Evening Activities

There will be special activities and merit badges offered each night at camp. Campers can participate in these activities from 6:00-9:00 PM. Check the schedule for information on which activities will be offered at night.

Merit Badge Signup

Signup will be available May 1, 2022. Your summer camp coordinator will receive an email with instructions and a password. Units must be paid in full to sign up for merit badges. It will be an online process through the same system that was used to register for camp.

During camp there will be an opportunity to make last minute changes to merit badge schedules. **Some class sizes will be limited due to National Standards or limited physical equipment support. We do our best to try to accommodate all Scouts needs.**

Certain merit badges have costs that are over and above those covered by the camp fee. Make sure Scouts are prepared to cover any costs of their merit badges.

Age Requirements

National Standards require each camp to have programs for older Scouts. In order to meet this requirement, certain age restrictions have been set for some programs. These programs were chosen based on the size, ability and experience of certain age groups. **Please do not ask for waivers on age requirements.**

Be a Guest Merit Badge Counselor

Scout Leaders are encouraged to help teach specific merit badges. If you are going to be at camp for a week and would like to teach a special Merit Badge during your stay that isn't offered by the camp please call the Scout Office to coordinate (907-337-9547).

Project COPE & Climbing Tower

Cope and Climbing will be offered this year! We look forward to seeing your Scouts test themselves with this wonderful opportunity for team building and personal growth,

Leave No Trace

All of the camp properties of the Great Alaska Council teach and practice the principles of Leave No Trace. Leaders and Scouts are encouraged to take advantage of the training opportunities that are offered at each camp.

Pre-Camp Meetings

Pre-Camp Meetings will be scheduled during the spring for each of the camp programs. Watch for notices through e-Trail Talk.

Trading Post

Spending money is recommended (between \$50 and \$75) since Camp Gorsuch maintains a well stocked trading post. Hours will be posted, usually the trading post is open throughout the day and evening except during flag ceremonies, meal hours, and campfires. Items such as craft kits, patches, and items for advancement sessions (merit badge pamphlets, handbooks, etc.) Assorted snacks are also available.

Nanuk Lodge

Order of the Arrow

The Order of the Arrow is Scouting's Brotherhood of Honor Campers. Nanuk Lodge has been an integral part of the Camp Gorsuch history.

The purpose of the Order of the Arrow is:

To recognize those who best exemplify the Scout Oath and Law in their daily lives and through that recognition cause others to conduct themselves in a way that warrants similar recognition.

Promote camping, responsible outdoor adventure, and environmental stewardship as essential components of every Scout's experience, in the unit, year-round, and in summer camp.

Develop leaders with the willingness, character, spirit, and ability to advance the activities of their units, our Brotherhood, Scouting, and ultimately our nation.

To crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

The Order of the Arrow is a unique organization in that both members and nonmembers must elect its membership. To be elected, *a Scout must be First Class or above and be an active, registered member of a BSA troop or team. After registration with a troop or team, have experienced fifteen days and nights of Boy Scout camping during the two-year period prior to the election. The fifteen days and nights must include one, but no more than one, long-term camp consisting of six consecutive days and five nights of resident camping, approved and under the auspices and standards of the Boy Scouts of America. The balance of the camping must be overnight, weekend, or other short-term camps.*

Fifty percent of the registered members of the Troop must be present at the election. The unit committee may nominate only one adult, if the unit elected at least one youth. If the unit has more than 50 registered members, the unit committee may nominate two adults each year. Adult applications must be turned in to Council Service Center by May 14.

Remember that, if your unit desires to hold elections during camp, official OA election teams must do unit OA elections! Elections must be done by Tuesday night to be called-out at the Friday night campfire.

While a call-out may be held at the Spring Camporee, Scouts can be called-out at Camp Gorsuch. The call-outs will be held on Friday.

BROTHERHOOD CONVERSION OPPORTUNITIES

The Brotherhood is for Order of the Arrow members who have been Arrowmen for at least 10 months and meet certain other requirements. Nanuk Lodge will conduct a Brotherhood Ceremony for qualifying Arrowmen. Check with the OA Camp Chief to find out time and information.

For more information concerning the Order of the Arrow or Nanuk Lodge at www.scoutingalaska.org/oa or www.nanuk355.com

Medical Forms for each Scout & Leader

And for the Adult Leaders

Throughout the week, adults have many choices for spending their free time. Camp Gorsuch provides several opportunities to make an adult's stay at camp a pleasant one.

OUTDOOR LEADERSHIP SKILLS

While at camp, adults can complete Outdoor Leadership Skills training over the course of the week. This is required training for Scoutmasters and Assistant Scoutmasters to be considered "Trained" in their position.

SWIMMING, WATER RESCUE, & PADDLECRAFT SAFETY

These programs are sponsored by the Council Aquatics Committee and provide valuable hands on training concerning the BSA's policies for aquatic activities. The training is valid for 3 years and is a prerequisite for conducting aquatic activities on the unit level. This training is offered for adults and youth 16 or older. The Aquatics Director will conduct the training, and the time will be announced at the Monday Scoutmaster's meeting. *Reminder, if you are attending merit badges at the waterfront please bring your own life jacket.*

SCOUT LEADER MERIT BADGE

This year we are offering a patch that only adults can earn. Requirements follow.

CLIMB ON SAFELY

Climb on Safely is the Boy Scouts of America's recommended procedure for organizing BSA climbing/rappelling activities at a natural site or a specifically designed facility such as a climbing wall or tower. This instruction will be offered by the COPE/Climbing Director and is sponsored by the Council COPE/Climbing Committee. The time will be announced at the Monday Scoutmaster's meeting.

ADVANCEMENT AND SERVICE

Often, adults in camp bring with them special knowledge or skills that would be beneficial to various merit badge sessions. If any adult would like to assist with a merit badge—or offer one not on the schedule—please see the Program Director on Monday. The Camp Ranger will be glad to suggest a list of camp projects that can use your skills and knowledge to help improve camp. Bring your tools and feel at home.

Bear Aware

Gear Shelter

Smellables, food, packs, and day clothes are stored outside of tents. Gear should never be stored in tents or areas where someone sleeps. Bears enjoy investigating gear and the smells that are within. As part of our bear and wildlife procedures we require that troops store their gear in one central location in their campsites. Troops should bring a pop up shelter or tent to keep gear out of the elements.

Only items in tents:

- sleeping bags
- sleeping pads
- sleeping clothes
- pillows

Bear boxes are kept away from tent pads.

Travel with a buddy at all times!

Dispose of trash properly & lock the lid.

Be tree safe. Only use established toilets or latrines.

Never run from a bear.

Transient bear:

- Move out of its way.
- Report sighting to staff.

Local bear and returning bears:

- Move out of the bear's path.
- Stay in a group.
- If the bear causes an issue, deter the bear with loud noise.
- Contact staff immediately.

Repeat offender bear:

- Deter bear from camp with loud noise.
- Stay in a group.
- Contact staff immediately.

Only if necessary, the APD or ADFG will be contacted to take appropriate measure to remove the bear.

For the complete Council Bear Policy, please see the Council website.

We are committed to giving every Scout an opportunity to attend our camps regardless of their financial situation. Funds are raised specifically to achieve this goal, but it is a finite amount and we divide funds according to the fairest distribution possible. In addition to these funds, some Units have money specifically earmarked to also aid families seeking assistance with camp fees that we encourage you to look into if needed.

If you feel the process and funds awarded did not accurately represent your financial situation you may appeal to the Great Alaska Council, Scout Executive for a review and additional monies.

PLEASE READ INSTRUCTIONS BELOW

INSTRUCTIONS TO PARENTS OR GUARDIANS APPLYING FOR CAMPERSHIPS.

When you have completed the application, mail it to Great Alaska Council, Boy Scouts of America, at address shown below. Your application is confidential.

Camperships can be turned in at any time and will be announced periodically (once a month minimum).

After your scouts attend camp we require a letter from each boy telling us of their experience and the benefits they received from attending camp. This letter will be given to the supporters of the Campership program thanking them for their generous donation and how it benefited the Scout that attended.
