March 9, 2024 8am-10am

Pacific Harbors Council

4802 S. 19TH ST Tacoma, WA 98405

The event includes a panel of young members who will talk about what Scouting means to them, showing how it influences today's youth and your local community.

I will be there!
\$25/seat or
\$125/table for 6

I cannot be there but
here is a donation.

We value every donation, no matter its size, as 100% is used to support local Scouting. In 2023 this support allowed over 100 Scouts achieve the rank of Eagle, our council to contribute 16,400 service hours to our communities, nearly \$20,000 in camperships, and provide financial assistance for about 100 youth to become BSA members. Your financial support ensures our council can contribute and expand its mission of instilling in young people the values of the Scout Oath and Law, preparing them to make ethical and moral choices throughout their lives.

Can we count on your support?
