What is Bushmaster NYLT?

Bushmaster NYLT is a weeklong experience based on the activities of a typical unit during a month of program. The course is a combination of classroom and practical exercises, all taught by a youth staff, modeling the best in leadership skills, using the teaching E.D.G.E. The course is about vision-based team building with a wide variety of fun and challenging activities.

Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster.

PROGRAM

NYLT is the advanced training course for youth leaders: Scouts BSA, Venturing, Sea Scouts and Exploring. The program consists of two parts:

Practical Phase

During this 6-day outdoor event, the model Scout Troop will serve as the foundation for training purposes. Participants live as a member of a patrol using unit meetings and unit camping activities as the delivery model. They practice skills of leadership and learn how these skills apply in their role as a leader in their unit.

Application Phase

At the close of the practical training, participants will write a "Personal Leadership Project" which is a contract that participants are being asked to make with themselves. They will share it with their unit leader, and together complete a project that will make the unit better.

The application phase begins at the end of the practical training and lasts up to 12 months. During this time, course graduates must complete their Personal Leadership Project then, on an occasion of their choice, they will be presented the NYLT neckerchief.

WHO MAY ATTEND BUSHMASTER NYLT?
