Patrols will have the option to complete activities to earn points at each program area as well as keeping there camp site clean and participating in cook off and other program offerings.

We'll end the day with a campfire where you'll get to show off your patrol's creativity with skits and songs. Campfire will also feature announcements of the winning patrols from the day's activities.

This event is designed for Scouts BSA Troops, venturing crews, and arrow of light patrols, so rally your patrol and get ready to conquer the great outdoors! See you at Camp!
