## CUBOREE 2026

AT MISSION: MARS CUBOREE 2026, SCOUTS BECOME THE FIRST EXPLORERS SENT TO THE RED PLANET ONLY TO DISCOVER THAT CRITICAL SYSTEMS ARE FAILING. WORKING IN TEAMS, THEY'LL TAKE ON EXCITING CHALLENGES TO RESTORE OXYGEN, RECOVER WATER, NAVIGATE METEOR THREATS, AND RECONNECT WITH EARTH.

THIS ISN'T JUST A CAMPOUT. IT'S A MISSION. AS CREWS RACE TO STABILIZE THEIR MARS BASE, EVERY SCOUT PLAYS A ROLE IN PREPARING FOR ONE FINAL MOMENT: THE LAUNCH WINDOW THAT WILL BRING THEM HOME. WILL YOUR SCOUT RISE TO THE CHALLENGE AND BECOME PART OF THE MARS SURVIVAL CREW?
