

How to prepare your pack

Here are some recommended steps to help your Pack prepare for a weekend of fun at the Parent & Pal Weekend.

1. Choose an adult to be the weekend coordinator.
2. Read the *Leaders Guide* thoroughly.
3. Share the information with your parents and leaders.
4. Make a presentation. Make sure to involve the new fall recruits so they are aware of this exciting kick off to their scouting program.
5. Pre-register as a pack.
6. Construct a group email to ensure everyone attending is informed.
7. Have all adults and youth participants turn in a completed BSA Medical form and place in a folder to bring with the group to camp.
8. Make sure at least two adults are at camp at all times. This is a family campout so encourage entire families to attend.
9. Coordinate travel plans, including food supplies and equipment.
10. Determine if you and your pack will be leaving Saturday night or Sunday afternoon.
11. Come prepared to have fun.

While planning don't forget to discuss how your pack can show off your dutch oven cooking skills. We are having a dutch oven dessert contest this weekend. Packs are responsible for all ingredients and the dessert must be made at camp. See *Program Activities* for more details

This event would not be possible without the amazing volunteers who give their time to provide an exciting and engaging experience to our youth. There is no cost for the volunteers who help with this camp.

If you or someone you know are interested in serving on the Parent & Pal Weekend's team, please contact the event coordinators, David Christafore at DC101960@aol.com or Dan Wetsch at djw@valleysupply.net. You may also contact the council office at (304) 366-3940
