

Monongalia County, Coopers Rock Forest 61 County Line Dr., Bruceton Mills, WV

- Clay Furnace Trail is a 0.6 out and back trail. A little more than 1.3 miles total. Considered moderate.
- Enter into the park and take the first road to the right marked for the Clay Furnace. Follow the road to a parking lot loop.
- Scott Run Trail to Roadside Trail is a five-mile loop. Considered moderate to difficult. Park in the first parking on the right upon entering the park. The Scott Run Trail begins across the road. You will return on the Roadside Trail above the restrooms. The trail also crosses at the McCollum Campground and there are limited parking spots here as well.
- Feel free to follow the road into the Scenic Overlook and Trading Post. You can find patches for the trails, walking stick totems, ice cream and snacks.
- Watch for rattlesnakes and copperheads. WV DNR is compiling reports of them to determine their distribution in and around Coopers Rock State Forest. You can report any sightings to WV Division of Natural Resources, Frank Jernejcic at 304-612-7725 or fjernejcic@comcast.net
