## Service Project Idea Generator

# 3

## Meet the Project's Beneficiary

- Discuss with the beneficiary if your project fits their organization's needs, goals, and limitations.
- Find out if there are any special requirements or processes that your project must accommodate.
- Talk about any possible available resources, safety concerns, and/or time constrictions that could be related to your project.
- The beneficiary must approve the project.

## Optional Project Coach

- Serves as an advisor, consultant, and mentor to the Scout throughout the project.
- Acts in an informational capacity to encourage the Scout to better plan out their project, secure resources, and to make informed decisions.

 The Project Coach must be registered with the BSA and be <u>approved by</u> the Scout's Troop and Council Advancement Committee Representative.

## Develop a Project Proposal

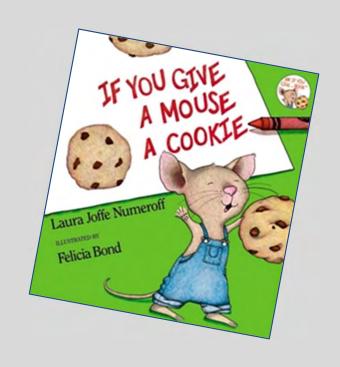

- Complete the project proposal section of the Eagle Scout Service Project Workbook.
- Outline a budget, list of supplies, work assignments, and timeline.
- Plan for logistics, project phases, possible safety issues, and recruiting people to help.

## Define Project Scope

- Sets the goal of the project.
- Understand what are your project's limitations and constraints.
- Define what qualifies the project as a success.

## Plan Project Deliverables

#### **Project Phases**

Think of your project in terms of phases and list what they might be. The first might be to complete your final plan. Others might include fundraising, preparation, execution, and reporting. You may have as many phases as you want, but it is not necessary to become overly complicated.

- 1. Get support and permission for project
- 2. Scoutmaster and Council approval
- Clean fallen limbs, leaves, etc. surrounding and on top of the Petroglyph site.
- 4. Develop final site/structure plan and get approvals (Also approval from the Opel Family!)
- 5. Get donations Get the materials!
- 6. Plan for work day Confirm it with the Opels'
- 7. Work day- Build Structure!
- 8. Follow up work day

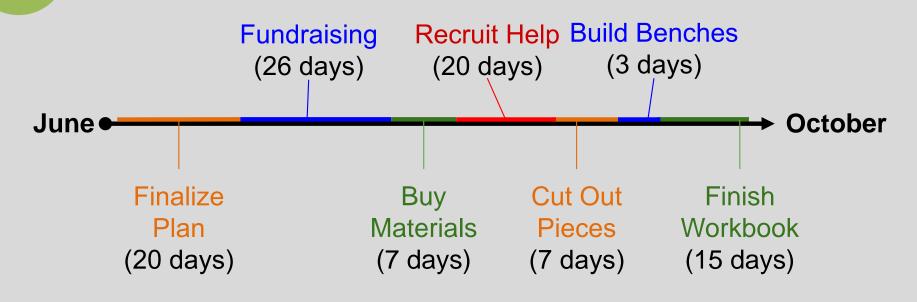

## Creating a Timeline

#### Things to consider:

- Possible weather conditions
- Availability of people and resources
- Outside factors (ie: 18<sup>th</sup> Birthday)
- Build in extra time for flexibility

## **Example Timeline**

When do you plan to begin work on the project? June 20XX How long do you think it will take to complete? 4 months

## Project Resources

- For each part of your project phase, think of how many people you will need to meet the timeline.
- Strategize how to recruit the necessary amount of people.
- Determine what tools the people will need to be successful.
- Think of the logistics for people, tools, and materials.

## Drafting a Budget

	Materials

### Extra Credit

Things to do up front that can help improve the project:

- Draft blueprints, layout, or build a model.
- Take "before" pictures of the project area.
- Write a To-Do checklist
- Keep everything in a binder or folder

## Present Proposal to Troop

- Discuss your project proposal with your Scoutmaster.
- Present your project proposal to your Troop Committee.
- Rework your project proposal based on any suggestions or feedback.
- Get approval from both your Scoutmaster and Troop Committee to do the project.

# 6

## Present Proposal to District Rep.

- Schedule an appointment with your designated
   District Advancement Committee Representative.
- Discuss your project proposal with the District Representative.
- Rework your project proposal based on any suggestions or feedback.
- Get approval from the District Representative to do the project.

## Conduct the Service Project

Congratulations, now you can start the project:

- Follow your Project Plan.
- Keep the Beneficiary and Troop updated.
- Record everything and take lots of pictures.
- Enjoy the experience.

## Plan for Safety Contingencies

Consider and plan for all possible issues from:

- Environmental hazards.
