Virtual Merit Badge courses will be hosted for all Scouts who planned on attending Summer Camp at **Fort Steuben Scout Reservation! Virtual Merit Badges will be held using Zoom!**

The **Virtual Merit Badge Program** will be held throughout the three weeks in July when camp was scheduled to take place. Each week will provide a different selection of Merit Badge courses for Scouts to participate in. Just like our normal Merit Badge schedule, courses will meet each day throughout the week. If Scouts attend all of their daily courses and complete their homework, they can earn Merit Badges that they would have earned at camp!
