Ohio River Valley Council's FORT STEUBEN SCOUT RESERVATION

STEM EXPLORATION

November 13-15, 2020

Ohio River Valley Council's STEM Exploration is a Scout's chance to explore, analyze, and discover technology as they make memories that will last a lifetime!

The activities and Merit Badges offered at **STEM Exploration** are centered around the **STEM** area at Fort Steuben Scout Reservation! At **STEM Exploration**, there will be something for Scouts of all ages and skill levels to discover!

- Scouts will have the opportunity to test their creativity and curiosity as they work on the **Robotics Merit Badge** Saturday!
- Experienced Scouts will have the opportunity to learn about technology and opportunities in emerging career fields as they engage with trained professionals in the **Mining in Society** and **Engineering Merit Badges!**
- Scouts interested in photography or videography can register to take either the **Photography** or **Movie Making Merit Badge!**
- In the afternoon, after Scouts complete their Merit Badges, all **units are invited** to participate in the Camp-Wide STEM challenge! The winning unit will take home the **STEM Exploration** trophy! Materials and details will be provided at the competition.

Cost:

$10 Per Scout
Adults Free

FSSR **will not** be providing meals for participants. Units will need to bring their own food for the weekend that they will prepare in their campsites.

Two-deep leadership is **required** for this outing.
