

# 2022 Two Trails District

## Weird Science Day Camp

**Dear Parents and Scouts,**

**The 2022 Two Trails District Cub Scout Day Camp Staff would like to welcome you and your family to our camp this year. The staff has worked to make this camp a wonderful experience for your family. This year's theme is "Weird Science" and will be an amazing time learning about STEM. We want everyone to have a fun experience as we continue with keeping safety first and foremost and to do so here is a list of items to keep in mind:**

- **All campers, adults must sign in and sign out at the Bald Eagle Shelter.**
- **Drop off and pick up will be at the Bald Eagle.**
- **Campers must be checked in and out as a safety precaution.**
- **Registration is in the Bald Eagle Shelter.**
- **First Aid station is at the Bald Eagle Shelter.**

**We are looking forward to having your cub explore with us and complete a variety of requirements, while participating in activities geared to learn more about science, technology, engineering, and mathematics. There will be so much fun had by your scout to list it all, join us June 8-10<sup>th</sup> at the Brooke Hills Park for a true adventure.**

**Sincerely,**

**Anthony Kniszek  
Camp Director**

**Kelli Kniszek  
Program Director**
