Welcome

We are thrilled to have your Troop at EBSR in 2025!

EBSR is a premier camping destination in Wisconsin that is nestled on the shore line of beautiful Castle Rock Lake. Our staff and volunteers work tirelessly year round to make sure that EBSR is a pristine host for your Troop's camping experiences.

Open Program is a unique aspect to EBSR. Scouts have abundant opportunities to achieve rank advancements and go on new adventures. Many program areas offer scouts the ability to begin working on new merit badges at any point during program time.

EBSR has something for everyone! Older scouts will stay engaged and challenged by our ATV and Jet Ski Programs. New Scouts will be set on the right path by participating in our First Year Camper Program. Scouts making their way to Eagle will can reach their merit badge goals at the Silver Circle Area.

We have the friendliest camp staff around! We look forward to seeing your Scouts and welcoming them to our Summer Camp home. We want to make sure your Troop feels welcomed and informed so please reach out if you have any questions about our programs and property. Please reach out if you have any questions about Summer Camp. We look forward to reuniting with old friends and welcoming new Troops to our home.

Now, LETS GO DO COOL STUFF!

SUMMER CAMP

CHECK-IN

Troop Sign In

- Your Troop will be greeted in the parking lot by our enthusiastic Camp Staff!
- They will conduct a Health Screening and give the screening form to the unit leader.
- Staff will distribute wristbands and swim tags to youth and adults.
- To help us ensure a safe environment, campers are provided a wrist band all to wear all week.
- Your Troop will be assigned a site commissioner.
- The Senior Patrol Leader and one adult leader will bring all required paperwork to the Peter Rice Pavilion.
- Your Site Commissioner will take your Troop on a tour of camp while the paperwork is being submitted.
- During the tour of camp one adult can deliver the Troop's trailer to their campsite.
- You can take one additional vehicle to the campsite.
- All vehicles must be removed from the campsite and parked in the parking lot by 5:00 PM on Sunday.
- After the camp tour is complete, your Troop should make their way to the Swim Beach to have their swim tests administered, if necessary.
- Once Swim Tests are complete, your Troop can unload their trailer and begin setting up camp.

Prior to Arrival

- The registration contact for each Troop will receive a phone call from our Camp Commissioner 1 Week prior to your Troop's arrival at Camp.
 - Call Received: ☐
- The Camp Commissioner will arrange your Sunday Check-In time, double check any food allergies or special assistance for your participants, and answer your questions.
 - Our Check In Time: _____

Arrival Parking at EBSR

- Arrive at Ed Bryant Scout Reservation as close to your check-in time as possible.
- Vehicles carrying participants will go straight to the parking lot.
- Vehicles carrying a trailer will park on the road in front of the Peter Rice Pavilion.
- You will drive to your campsite following check-in.

MEAL SERVICE

Meals at Ed Bryant Scout Reservation are served in Fellowship Hall. Troops will have the option to cook dinner, patrol style, in their registration portal. Troops that choose this option will need to pick up their food and recipes at the commissary at 5:00 PM each day.

We ask that one Scout per table report 15 minutes before the meal to setup and serve their table's food, as well as one Scout per table stay after the meal to clean up. Small Troops (who may only have one table) should utilize the buddy system and have two Scouts prepare and clean up meals. Remember, for some Scouts, this is their first time they've cleared dishes or cleaned a table. They may need some guidance! Table assignments and full dining hall procedures are reviewed during check in.

We make every reasonable effort possible to accommodate for any allergens and dietary restrictions that your scouts and leaders may have. We offer four menus, but can discuss special accommodations for other restrictions as well.

THE EDGE TRADING POST PROGRAM CENTER

The trading post is great place to grab camp souvenirs, creature comforts, snacks, slushies, and even camping gear. Forgot something at home? We may have it in stock. Just ask our Trading Post staff.

The Program Center offers a number of activities including chess tournaments, dutch oven cook offs, gaga ball pits, and more!

BE PREPARED

Scoutcraft will host the Dutch Oven Cook Off. Cook an entrée, appetizer, or dessert in your campsite and bring your completed dishes to the Program Center for judging and sampling. Adults and youth are welcome to participate!

Plan ahead and bring with you all the ingredients and cookware you will need to create your entry.

HEALTH AND SAFETY

Adult Leaders

All adults staying overnight at camp must be registered members of the Boy Scout of America and must provide proof of current youth protection training upon arrival.

Visitors at Camp

All visitors at EBSR must sign in at Peter Rice Office immediately upon arrival. It is recommended that visitors call ahead to ensure their unit is expecting them. Current Youth Protection is required for all visitors OR they must be constantly accompanied by unit leader. Visitors and their conduct are ultimately the responsibility of the unit they are visiting

Departures from Camp

All Scouts and Scouters are reminded they must sign out and back in each time they leave and return to camp. Sign In / Out using the Check In / Check Out Log Book, located in the Camp Office. ANY Scout leaving camp must be signed out at the office and that individual MUST be indicated as "approved" to take that Scout out of camp in Part A of the Health Form. Anyone not listed in Part A as "approved" will not be able to take that Scout out of camp without parental consent. No exceptions will be made.

Buddy System

The buddy system is to be used at all times while on camp property. Please review the buddy system guidelines with your Troop before attending camp. With the nature of open programming, special attention needs to be paid to ensure all Scouts are prepared!

Range and Target Activities Policy

Ranges are outfitted with equipment approved and maintained by the Council Range and Target Activities Committee. No ammunition, personal firearms or bows will be permitted on council property. Although we respect the Second Amendment, concealed carry is prohibited on Glacier's Edge Council camps and property and we ask that all guns and ammunition be left at home.

Fuels, Fireworks, Explosives

Liquid fuels and compressed gas may be used in camp only under the direct supervision of a knowledgeable adult. Liquid fuels and compressed gas may be used under a dining fly for stoves and lanterns, but not inside of tents. Fireworks and explosives are not allowed on camp property.

Bicycles and Service Animals

Bicycles are not permitted as a means of regular transportation around camp. No pets are allowed at camp, with the exception of service animals. Bicycles are provided for the Mountain Bike Excursion.

Phone Calls

In case of a family emergency, a family member may contact the camp office and arrangements will be made for the Scout or Scouter to return the call. Please remind parents that their Scout is somewhere on 200+ acres of camp property; it may take some time to return the call. Other personal calls are not permitted on the camp telephone. Verizon and US Cellular have good service at camp, AT&T and Sprint have poor reception.

Uniform Dress Code

We ask all Scouts, Scouters, and adults to wear the Scouts BSA field uniform at campwide flag ceremonies and at dinners in Fellowship Hall. During general program times, it is expected that participants dress in an appropriate and non-offensive manner. This will be left to the judgement of the units and the Camp Director. Closed toe shoes are required during all times except in the showers or the Aquatics areas. We ask that all scouters wear athletic swimwear that does not interfere with the wearers ability to wear personal flotation devices or ability to participate in aquatics activities like boating and swimming.

Lost and Found

Any items found at Ed Bryant Scout Reservation will be retained in the Trading Post. Items found will be transported to the Wall Family Scout Service Center in Madison after the season. After September 1st, all items will be donated to charity.

Wi-Fi and Internet

Wi-Fi is available in all main camp buildings for Adult Leaders and Program Support. Bandwidth is limited. Service is not guaranteed.

SSID: Squatch-Net Password: EdBryant

GENERAL INFORMATION

Cell Phones and Electronics

We strongly discourage Scouts from bringing radios, cell phones, video games, and other such devices to camp. Adults are asked to turn phones to silent mode and enjoy the time with your Scouts. If you absolutely must take a call please step away from the program area, as to not cause distraction or a safety concern. If a unit allows its Scouts to bring electronic devices to camp, the unit may not permit its Scouts to take them out of the unit campsite. Furthermore, these devices are not to be heard outside of the campsite.

Adult Leader and Senior Patrol Leader Meeting

There will be an adult leader and SPL meeting that takes place at 4:30 PM on Sunday after check-in at the Program Center.

Adult Leaders

All adults staying overnight at camp must be registered members of the Boy Scout of America and must provide proof of current youth protection training upon arrival.

Introduction to Outdoor Leadership Skills

This course is offered at the First Year Camper Program. On Thursday evening, a volunteer facilitator will come to EBSR to lead participants through the final course requirements. More details will be provided during adult leader meetings.

ADULT LEADER INFORMATION

Second Cup

This meeting takes place every morning at 9:15 AM. These meetings are a way for adult leaders to stay in the loop on important announcements and schedule changes. It's also a great time to share a second cup of coffee and fellowship with other leaders.

BlackPug Meritbadge Tracker

All merit badge advancement information is tracked in our registration system known as BlackPug. Leaders will be given QR codes that they can use to access their scouts' progress. Our staff updates advancement work daily.

Adult Leaders' Dinner

Every adult leader is invited to attend the Adult Leaders' Dinner on Thursday night. This is a great opportunity to fellowship with other leaders, hear from our Scout Executive, and provide helpful feedback that we can use for weeks, even years, to come!

Interested in Volunteering?

We always need extra hands at EBSR. On Sunday, let our Program Director know if you have any special certifications or are knowledgeable about certain program areas. We would be thrilled to have your assistance. We are always making improvements to the facilities at camp. Let our Ranger know if you are skilled in any trades such as plumbing, electrical, carpentry, or others. Feel free, to bring your tools if you would like!

Have a Merit Badge You Would Like to Teach?

If you are a registered merit badge counselor for a merit badge that we are not offering this summer, we would love to have you provide a clinic for our scouts. Just let our Program Director know what merit badge you would like to teach and we can schedule a time for it at the Program Center.

PROGRAM NOTES

• **Merit Badge Program:** Our merit badges and programs are all offered in one of three ways : Open Program, Scheduled Program, and Advance Sign Up Program.

• **Open Program** means that we do not have scheduled times for these merit badge classes. Scouts can jump in and out of these programs anytime these areas are open.

• **Scheduled Program** means that these merit badges and activities require scouts to show up at a specific place and time to participate but do not require scouts to sign up in advance.

• **Advance Sign Up Programs** require scouts to sign up in advance either during Sunday midway or before they arrive at camp through their Troop's registration portal.

Open program can be overwhelming for youth who have never been responsible for their own decisions and time management. Before attending the Sunday Midway, it is a great idea for each Scout to come up with 3 to 4 goals for their week. This will help them build an awesome week.

Please note: A few of the merit badges have scheduled program times to allow for adequate instruction. Several merit badges at camp have prerequisites which will be provided separately after any updated requirements are released annually by the BSA.

Sunday Midway:

Immediately following Sunday Dinners, Scouts take part in the Sunday Midway, a program fair where staff from each program area host a booth and are available to discuss the great programs they offer.

Scouts are offered a scheduling card showing available times throughout the week. Scouts wander around the fair to learn about all the opportunities with a goal of creating a plan of activities and merit badges for the week. Area merit badge counselors can coach Scouts on how much time / dedication each badge requires.

Scheduled Program

MERIT BADGE OFFERINGS

Merit Badge Level System

Each merit badge offered is ranked from Level 1 to Level 3. This system is designed to help Scouts and Scout Leaders develop their schedule with age appropriate activities.

Level 1 merit badges are great for 1st year campers of any age.

Level 2 merit badges are great for 2nd and 3rd year campers and typically have few to no prerequisites.

Level 3 merit badges are difficult badges that have prerequisites and have schedules that must be followed for completion.

Please keep in mind that the level system is merely a guide, not a hard and fast rule.

Dutch Oven Cook Off

Dutch oven cooking is a time honored scouting tradition. Scoutcraft will host the Dutch Oven Cook Off. Cook an entrée, appetizer, or dessert in your campsite and bring your completed dishes to the Program Center for judging and sampling. Adults and youth are welcome to participate! While teams are not required to create allergen-free dishes, you can add an extra challenge to your dish by excluding milk/dairy, eggs, or nuts.

Wilderness Survival Overnighter

To complete Requirement 8 of the Wilderness Survival Merit Badge Scouts will need to spend the night in a shelter that they create.

Eagle Required Merit Badges

Silver Circle is a dedicated area where your Scouts can focus on Eagle-required merit badges. Other Eagle-required merit badges are offered at EcoCon (Environmental Science), Swim Beach (Swimming and Lifesaving), and Scoutcraft (Camping and Cooking).

COPE

Challenging Outdoor Personal Experience, or COPE, is a custom ropes and challenge course designed to put participants through various games, activities, and challenges. The events are directly and indirectly focused on the eight goals of COPE, namely, Communication, Planning, Trust, Teamwork, Leadership, Decision Making, Problem Solving, and Self Esteem.

COPE is an excellent program for Troops or patrols that need help bonding, forming as a group, or working with leadership skills.

Individual patrols wishing to take part in a patrol based COPE program can schedule an appointment with the COPE Director.

COPE and Climbing

Merit Badges Offered

Climbing

Climbing is quickly becoming one of the most popular outdoor sports in the nation! The adventure of climbing can provide a new way to enjoy the outdoors while pushing both your physical fitness and mental health. Stop by and check out our new climbing wall. Scouts should have appropriate clothing, climbing shoes or sneakers, and non-baggy clothing.

Adult Leaders, if you have climbing experience, the climbing wall is a great place to volunteer. Feel free to stop by and lend a helping hand so we can let more Scouts experience the new climbing wall.

Wheels

Adventure Program

- ATV Adventure
- Mountain Bike Excursion

ATV Adventure

Registration for our course is limited to Scouts 14 years or older. Due to equipment limitations, the council reserves the right to limit ridership based on height and weight for the safety of the Scouts and for leaders wanting to participate in the program. All participants who wish to ride an ATV must provide :

- ASI - Course Certificate :
 - <https://atvsafety.org/atv-ecourse/>
- Hold Harmless Agreement
- ASI Consent Form
- ASI COVID Form

Course is offered Monday, Tuesday, Wednesday and Thursday from 9:00 AM to 5:00 PM. An additional fee of **\$50** is charged for ATV participation.

Mountain Bike Excursion

Our Mountain Bike Excursion is a guided journey that allows Scouts to explore the trails of EBSR on our Trek 820 mountain bikes. These tours will leave daily from the Wheels Area (back of the main parking lot) at 9:00 AM. Scouts wanting to participate in this activity should not bring their own bike but are welcome to bring their own helmet.

Note: This is a guided mountain bike ride and not the Cycling merit badge.

- Sporting Arrows [Aerial Archery]
- 3-D Archery
- Paintball Target Shooting
- Open Shooting
- NRA Pistol First Steps Orientation Course

Program Notes

- Scouts must sign up for Range and Target Activity merit badges at the Sunday Merit Badge Midway.
- Scouts should plan to work on the badge requirements in two 3-hour time blocks over two back-to-back days. Additional range time may be required to complete a badge.
- Scouts interested in Shotgun Merit Badge should have the physical stature to handle a 12-gauge semi-automatic shotgun. This is a Level 3 merit badge recommended for older Scouts.
- Scouts with partial Merit Badges from previous years should come during open shoot time to finish their badge.
- Cost for all Range and Target Activity Merit Badges, open rifle, open archery and all evening programs is included in your camp registration fee.
- Shotgun Fees: Each camper and adult are allowed 5 shots at camp for free for shotgun open shooting. Additional shooting after that is \$3.00 for each 5 additional shots. Buy tickets at the Trading Post.
- Cowboy Action Shooting: Scouts must be 14 years or older to participate in this program. *
- New for 2025! NRA Pistol First Steps Orientation Course: learn to shoot a .22 caliber or semi-automatic pistol. Open to Scouts at least 14 years old. Class size is limited. Pre camp sign-up opens January 15, 2025. Course Fee \$20. All participants will receive a Basic Pistol book. Students who successfully pass the course will receive a certificate of completion. *
- *A special permission form is required for Cowboy Action and the First Steps Pistol course. Forms can be downloaded at: https://scoutingevent.com/620-EBSR_Summer_Camp_

Most Swamp merit badges are offered OPEN PROGRAM except metalworking [Advanced Sign Up at Sunday Midway needed]. Basic craft kits for Leatherwork, Wood Carving, and Basketry are included with your registration. Advanced and specialty craft kits are available in the Trading Post for purchase. All programs are open to Scouts working on rank advancement.

Scouts are required to have their Totin' Chit to take Wood Carving. If you don't have yours, stop by morning program time and earn it.

Stump Grinder Forge at The Swamp

No matter what type of metalwork interests you, the projects you complete as you work on this merit badge will be one of the most hands-on experiences at camp. Scouts now have the option to complete either Blacksmith or Sheet Metal Mechanic options for the Merit Badge.

Stump Grinder Forge is so popular we've had to limit participation to 8 scouts per session, with sessions running Monday through Thursday. Sign up for your session at Sunday Midway.

First Year Camper at The Swamp

First Year Camper is a great program for any Scout who hasn't reached First Class Rank. Program topics are listed in the FYC Schedule and Scouts can spend the entire week or stop by for one specific requirement. Given the number of new Scouts at EBSR, it is important that Scouts show up at the beginning of the program block.

Adult Leaders: First Year Camper is a great place to volunteer! Feel free to stop by and lend a helping hand.

Swimming: Please meet at the Swim Beach.

STEM - Science, Technology, Engineering, and Mathematics

STEM is an initiative to encourage the natural curiosity of Scouts and nurture their sense of wonder about these fields. The spirit of innovation can help our society overcome challenges and ensure a prosperous and secure future. To promote this opportunity, we offer STEM merit badges at camp which allow Scouts to experience scientific discovery and develop an appreciation for technological innovation.

Remember, all STEM merit badges must be signed up for in advance at the Sunday Midway.
