Welcome to 'Camping with Bigfoot!'

Dear Cub Scout Families and Leaders,

Welcome to the 2027 Glacier's Edge Council Cub Scout Summer Camp at Ed Bryant Scout Reservation! This year, we invite all Cub Scouts to join us for an unforgettable adventure: 'Camping with Bigfoot!'

Legend has it that Bigfoot has been spotted exploring the woods of EBSR. Throughout camp, Scouts will learn outdoor skills, practice teamwork, enjoy waterfront activities, and participate in exciting campfire programs—all while following the mysterious trail of Bigfoot.

Our program is designed to provide a safe, fun, and age-appropriate outdoor experience for all Cub Scouts, from Lion through Arrow of Light. We are excited to partner with you to make this summer one your Scout will never forget.

Yours in Scouting,

Scott Johnson

Camp Director
Ed Bryant Scout Reservation

Camping with Bigfoot is a chance to relax and enjoy Ed Bryant Scout Reservation. The focus of the camp is to have fun with your family and Cub Scout's friends rather than specific Cub Scout Adventure requirements. For the most part the various program areas will be open for participants to visit and try the activities at your own pace. Due to requirements for safety and participation limits there will be some activities that will require participants to sign up for a time slot when they arrive at camp. Some activities may only be offered at specific times. More information will be given to registered participants before arriving at camp and at the Leader/Parent meeting on Day 1.
