**A new merit badge class has been added for June. The Citizenship in the Nation is an Eagle Merit Badge and a great program to learn more about the structure of the United States government and our role within it. Please look over our schedule below; sign-up today because space is limited! LIMIT is the first 15 Glacier's Edge Council Scouts that register.**

***In response to COVID-19, the Glacier's Edge Council, B.S.A. will be offering the Citizenship in the Nation merit badge class online, June 15<sup>th</sup>, 17<sup>th</sup>, 22<sup>nd</sup>, & 24<sup>th</sup> from 5:00 pm to 5:40 pm to any scout(s) involved in a Scouts BSA program.*** We believe that this will help support our youth and their families in these programs as our local communities have suspended all school and / or other group programs with no more than ten individuals present at one time.

***Each session will consist of 40 minutes of instruction each day for four different sessions. The scout(s) should receive a link to log into their class the evening prior to their first class but no less than 24 hours before the start of the class.***

***Scouts will use these links each day to receive live instruction from Ms. Tonya Kristiansen of Troop 471.*** Scouts will have requirements 2, 3, 6 and 8 to be completed at home before the June 24<sup>th</sup> session. Please review these requirements prior to the first day. Also, scouts may use past experiences to complete #2 or use a virtual tour online. When all requirements are completed, please email them to [tmk05@hotmail.com](mailto:tmk05@hotmail.com). Scouts may only email Ms. Kristiansen directly if another leader or parent is copied.

Ms. Kristiansen will always have two deep leadership; however, this is fantastic information that even families may enjoy! They are all welcome to audit the class.

Overall, we believe that these online merit badge-based programs will make a great educational supplement to ongoing online efforts being made by our current public, private, and charter schools throughout our impacted region.

***Blue cards will be provided digitally to the scout after the badge work is complete and*** only after the merit badge counselor has verified that the individual scout has completed all listed requirements under that specific merit badge (no need to worry about ScoutBook).

### ***Additional Notes (Please Review)***

- 1) ***Each scout must register separately*** so we can track their progress and attendance.

- 2) **Current youth protection guidelines** (two - deep leadership and no one-on-one contact) will be followed by all staff under the Glacier's Edge Council, B.S.A. and its merit badge counselors always while working with youth and their families; more information can be found below: ["Important Excerpts from Advancement Guidelines"](#).
- 3) All merit badge classes are **open to any scout(s) from Glacier's Edge Council) that are currently participating in a Scouts BSA program**; all times listed below are located in the **Central time zone** of the United States of America.
- 4) We strongly encourage and recommend that any scout(s) participating in these online classes **receive verbal permission** from their parents / guardians and their unit leader(s); more information (below) - ["Virtual Merit Badge Guidelines"](#)
- 5) All live merit badge instruction will be provided by an **online format** called **Zoom**; an online portal.
