Small Units

Units with low membership may combine and compete as one unit. You may register together under one unit's number. Contact Ann if you have questions. **Any combination of units must be pre-approved by the Winter Amidships Chairman. Units that combine will decide on how to share awards received.**

Small units may "borrow" youth from another unit for a specific event as long as: (1) your entire unit is participating in the specific event, and (2) the person/s you choose are not competing in the same event for their own unit, and (3) you clear it with the WAM Staff in charge of the specific event.

Large Units

A unit that has a minimum of 16 paid youth registrants may divide into two separate competitive teams comprised of a minimum of 8 youth each. The unit must clearly define which youth are on which team AND the two teams will need different names when signing up for events (e.g. Troop 8A and Troop 8B). **Notification must be given to the WAM Chairman in advance of the event. Youth may compete on only ONE team.**

KNOTS RELAY – NEW: Units must get 50% (6 knots) correct to qualify for awards.

4-member team, timed event. Each person crosses start line, chooses a card with the name of a knot on it, ties knot on a knot board, places knot card below tied knot, returns to start line and tags the next person. No talking is allowed. Twelve knots. 3 knots per person. Knots: square knot, bowline, sheet bend, figure eight, clove hitch, two half hitches, taut-line, marling hitch, timber hitch (a "log" will be provided), cleat hitch, overhand knot, Stevedore's knot. 15 minute time limit. 30 seconds added per mistake. Units must get 50% (6 knots) correct to qualify for awards. Participation points will be given.

COMPASS BOARD RELAY

4-member team, timed event. Each person crosses start line, chooses one of 32 compass point tags, places it on the compass board, returns to start line and tags the next person. No talking is allowed. North will be marked. You may place tags on top of one another, but you may not uncover tags. If the correct tag is in the stack, that point will be scored correct. No tag can be moved once you turn away or take two steps from the board. Each team member will place 8 tags on the board. There is a 10-minute time limit. 30 seconds added per mistake.

LIFE JACKET RELAY and ALUMNI/ADVISOR LIFE JACKET RELAY*

4-member team, timed event. Each person properly puts on and takes off a regulation Coast Guard approved collar type life jacket, then returns to the start line and tags the next person.

A full bow (2 loops) will be required on the tie.

⚠ Leaders may combine with another unit's leaders to put together a team of 4. No points awarded to the alumni/advisor teams.

HEAVING LINE and ALUMNI/ADVISOR HEAVING LINE*

4-member team. Each person attempts 3 throws of a weighted rope (monkey's fist) in a 1-minute time limit. The target consists of point sections valued at 1 - 3 - 5 - 3 - 1 at a distance of approximately 25 feet. The monkey's fist must land beyond the target, not bounce through it. The total of the 12 throws will be the team's score. Time will be used to break ties. For practice refer to the section on "throwing assists" in a life guarding/water safety book.

⚠ Leaders may combine with another unit's leaders to put together a team of 4. No points awarded to the alumni/advisor teams.

FIRST AID

4-member team. Score determined by points accumulated. Format used is decided on by the judge and may include relay, demonstrations, multiple choice and/ or written or oral response formats. Supplies will be provided. Emphasis will be on **WILDERNESS FIRST AID and may include CPR**. Time will be used to break ties. There will be a time limit.

TUG-OF-WAR

Weight limit: 800 lb. Weigh-in will be during registration, 8:30 AM. An outdoor event. No spiked or cleated shoes allowed. **You may not wrap any part of the rope around your body.** Opponents will be paired-up by random drawing at the 9:30 A.M. meeting.

INTERNATIONAL CODE FLAGS

4-member team. Each team provides 2 readers and 2 scribes (recorders). Each reader/scribe pair will compete separately and the two scores will be added for the team's score. Readers are expected to know all 26 alphabetical and 10 numerical (zero to 9) code flags. (Alphabetical flags will be 12" x 18", numerical flags are slightly narrower and longer) and will be official international colors. Flags will be randomly arranged and toggled together horizontally. Flags are read from left to right. **Each reader will have up to 2 minutes to announce the code to his/her scribe.** You may use phonetic alphabets. The scribe, who has his/her back to the flags, records the code on a score sheet. Letters and numbers **MUST** be legible and distinct. You may skip 1 or more flags, but your scribe must then skip the corresponding blank(s) on the score sheet. You will not be allowed to fill in the blanks that you skip. The scribe is not allowed to ask questions during the competition. Time will be used to break ties.

Happy Feet Relay

We'll have another romp in the penguin feet. **ALL** youth members of a unit compete.

Be Prepared, we may throw in a "Surprise Event" or two.

- ⚔ Your unit will compete in either the Girls Division or the Guys/Co-ed Division.
- ⚔ Any type of unit that is competing with all girls will compete in the Girls Division.
- ⚔ Each unit will receive a WAM participation ribbon.
- ⚔ 1st, 2nd, and 3rd place ribbons will be awarded for each event in both Divisions.
- ⚔ 1st, 2nd, and 3rd place trophies will be awarded in each Division.
- ⚔ We will be using a LOW point scoring system:
1st = .75 point, 2nd = 2 points, 3rd = 3 points, 4th = 4 points, 5th place = 5 points, etc.

DNC (Did not compete) = Last place finisher +1 point
- ⚔ Participation in all events is strongly encouraged.
- ⚔ The WAM over-all traveling trophy will be awarded to the top-scoring unit based on a second set of scores. This scoring system awards points to all units as if they were all competing against each other. Points will be awarded to each Division for the Tug-of-War event.
- ⚔ **Every effort will be made to break ties.**

These things will make the day run smooth, safe and fun:

- ⚔ **Read “Winter Amidships Rules of the Road” with your unit before you come.**
- ⚔ Arrive on time! Please check-in as soon as you arrive.
- ⚔ **Please CALL (NO TEXTS) if you are running late.** Ann 920-427-6919 or Tammi 920-266-9555
- ⚔ Please have your Tug-of-War team weigh-in as soon as possible after check-in.
- ⚔ Units are invited to bring cards, board games, and other activities to fill time while waiting for events. Please keep audible music, food, and all beverages in the Armory drill room area. Clean up spills immediately.
