Recent past recipients are:

Kaylee Kosik, Crew 9221

Nyssa Schneider, Crew 9221

The Summit Rank represents Venturing's highest honor. To achieve this ultimate recognition, you will serve the crew as a leader— both formally and informally— and you will be a mentor to others. In addition, you will strengthen your community by designing and leading a service project to benefit others. The experience gained in earning this rank will help you mature as a member of a team and as an individual.
