

A REBEL FORCE GATHERS.....

AND THEY WANT TO CELEBRATE!

As rebel forces gather from across the stars, there needs to be a place and time to reunite with old friends, meet new friends, and come together to bond before bravely facing whatever tests the Empire has waiting for us.

Part of bonding with rebels from other worlds is sharing your unique treats with them. Maybe you have the best “Wookiee Chow” this side of the seventh moon. Perhaps you have perfected your version of “Tatooine Tea” or maybe your favorite snack is the exploding corn puffs found only on planet Earth!

When we rebels unite at the Cantina for music and fellowship Friday night, please bring a bag or bucket of your favorite galactic snack to share with your fellow rebels. Leave a note describing the worldly origins of your unique offering to your fellow freedom fighters! Make sure your note is large and legible enough for even an old Ewok to read. Come with the most unique presentation, and you may walk away with an award that all your friends will be envious of.

**Cracker Barrel starts at 9 pm, judging will go from 9 to 9:30.

We know that the Force will bond us tightly when all in the resistance come together in fellowship to share food and drink!

May the Fourth be with you!
