Dear Scoutmaster/Cubmaster:

The 2025 Gathering Waters District Fall Camporee is intended for Arrow of Light and Scouts BSA youth. We hope it will be among the first of many fun filled and rewarding events of the Scouting year. We hope you will join us for the search for the Dinosaurs, hosted and planned by the Gathering Waters Wesmianiw Chapter of the Kon Wapos Lodge, Order of the Arrow.

Set in a beautiful forest setting, along the Wolf River, at the Gardner Dam Adventure Base, the adventure is scheduled October 10th-12th, 2025. The cost is \$15 per person which includes an event patch. **To register, please visit the Bay Lakes Council web page and search for the event on the calendar or at this link.** <https://scoutingevent.com/635-fallcamporee2025>

Saturday events will include team building and scouting skills with some fun thrown in. This is an excellent opportunity to invite Arrow of Light scout participation and introduce them to Scouts BSA Troops, to meet and learn from other troops, and to enjoy the beauty of the unfolding fall season.

How can you help? First and foremost, come prepared to have fun. Skill events support rank advancement for younger scouts while older scouts may enjoy coaching and leading through the challenges. Arrow of Light scouts are welcome to come on their own with a parent or guardian or join with troops. Adult leaders may be asked to help with events and a meeting will be held for leaders and Senior Patrol Leaders on Friday evening. Adults may want to enter the annual Dutch oven cooking contest to earn the coveted golden spatula award. Of course, Dinosaur attire and dino decorations are most welcome!

Thank you for your continuing support for scouts and Scouting in the Gathering Waters District. We look forward to seeing you. Let's make this a camporee to remember!

Sincerely,

Greg Breaker and Kent Pauli
