What should I bring?

- Bring whatever you would bring for a light weekend of cold weather indoor camping, including Health Forms Parts A & B. Showers MAY be available for us. Definitely include your mess kit (plate/bowl/cup/utensils).

What will we be eating? A meal plan will be provided prior to the course. If you're really motivated to bring/make something in particular, let us know! This is entirely volunteer-run, so you can help too!
