## 2022 National Youth Leadership Training

June 19-24, 2022

Camp Hiawatha

Munising, Michigan

*Providing tools and  
inspiration for  
lifelong leadership.*

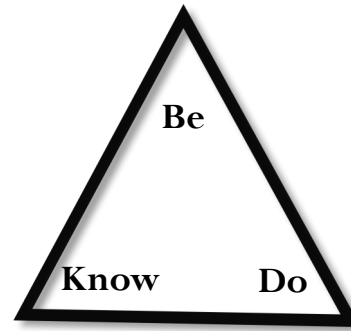

## What is National Youth Leadership Training?

National Youth Leadership Training is an action-packed program designed to provide Scouts with leadership skills and experience they can use in their home units and in other situations demanding leadership of self and others. This program is the centerpiece of the Bay-Lakes Council's youth training opportunities, providing local units with outstanding youth leaders and giving participants the tools and leadership ideals that will serve them well in whatever they do.

Through modeling and reinforcing patrol method, we simulate a month in the life of a troop, including an overnight outpost camp. This course is led by a youth staff with support from adults, just as Robert Baden-Powell intended Scouting to be.

### Youth Will Learn To:

Be what a leader must **Be**

Know what a leader must **Know**

Do what a leader must **Do**

**Without all three parts,  
leadership cannot thrive.**

If you make listening and observation your occupation you will gain much more than you can by talk.

Robert Baden-Powell
