

BOY SCOUTS OF AMERICA
BAY-LAKES COUNCIL

2023 National Jamboree

July 14-18 Washington, D.C. Area touring

July 19-28 Jamboree at the Summit in West Virginia

If you are a Venturer, Sea Scout or a Scout and at least 12 years old on July 19, 2023, you are eligible to register for this once-in-a-lifetime experience! Jamboree units will be formed with Scouts BSA boys, Scouts BSA girls and Venturing/Sea Scout members into a Bay-Lakes Council contingent for the 2023 Jamboree. Because the Jamboree was postponed, those who will be 18 years old and less than 21 on July 19, 2023, can attend and participate in the Jamboree program.

Registration for the Jamboree is on a first-come basis to anyone who qualifies. After units have been filled, a stand-by list of alternates will be established. Participants will be assigned to a Jamboree unit consisting of 40 participants (including youth and adults). Youth participants will be a member of a patrol within the unit. Our council contingent is expected to have 120 or more participants.

The Bay-Lakes Council Jamboree contingent is considering touring options and plan to leave from several locations in the council on or about July 14th. The plans include travel by motor coach bus and may include visiting the Washington D.C. area. Tour details are being developed. Early bird registrants will have input on touring options. The contingent will arrive at the Summit on July 19, 2023 and stay through the morning of July 28, 2023, when we will travel back to Bay-Lakes Council.

The cost is estimated to be about \$2,300.00, with a final amount to be determined in 2023. Final transportation and other costs are pending. The Jamboree fee will cover transportation, tours, admission fees, meals, lodging, and patrol and troop equipment. There will be incidental personal expenses to consider such as uniforms and spending money. There will be opportunities for Jamboree fund raising.
