### How are points awarded?:

Scouts earn points at the stations they visit in the morning session, and earn points for their race time. The morning score sheet must be turned in at noon (during lunch period)

- Spirit, Skills, Race.
- Overall winner

**Awards: First, second, third place based on points collected at each station**

## Meals

Lunch is included in the registration fee, along with coffee/tea for adults and hot chocolate throughout the day, while supplies last.

## **Safety and Additional Information**

### **Use of Klondike Common Areas:**

- Dining Hall spaces: Restrooms are available for use by all attendees. The space may be used to warm up. LOOK for SIGNS posted to ensure all safety. Do NOT use it as a unit/patrol meeting space.
- Restrooms outside: Are available for use by all attendees.

### **Parking:**

- Vehicles are not allowed to Park by the Dining Hall.
- All vehicles are REQUIRED to park in the parking lot by the welcome center.
- NO driving around the campgrounds, enforced by the ranger.

### **Check In: Saturday, January 10th: 8:00 - 8:45 AM at the Welcome Pavilion**

- Unit klondike leader and SPL
- Must park in the parking lot

### **Field Uniform:**

Field uniforms only need to be worn for PLC and Adult Leader meetings. The scouts are free to wear activity uniforms during the day events.

### **Invite your AOL Cub Scouts:**

We feel that our Klondikes are great recruiting events for Troops to use when working with the Packs. Be sure to invite the AOL scouts and their leaders to join in on the fun!

### **Out of Bounds Areas:**

There are several restricted areas near where we are camping that are strictly out of bounds for scouts. We will highlight these and emphasize this. We ask for your cooperation and reinforcement of this message.

### **Safety Plan:**

A safety plan is published at various locations around the camp and in the cabins. This will address emergency circumstances like dangerous weather and other such. We ask for your cooperation in this. We intend to have at least one member of the Klondike Staff at Klondike HQ (Dining Hall) during the entire event so that there is a point-of-communications always available for scouts & leaders.

### **Buddy System:**

We need to strictly enforce the buddy system anytime the Scouts are out of our camping areas. This is an event attended by many people and we need to keep the scouts safety uppermost in our minds. This means the buddy system. Of course, it would be preferable if the scouts always traveled in their patrols or with an adult. If any adult finds a Scout without a buddy, please take them to HQ where they will need to wait for a buddy, patrol, or leader.

### **Help Wanted!**

We need a few adult volunteers to help with activities. Please email [liam.barber@scouting.org](mailto:liam.barber@scouting.org) if you want to run a station or assist with the event in any way.

### **Scouts: Water & Clothing for Saturday**

We recommend that each scout or patrol of scouts carry water and clothing appropriate for the weather during the day on Saturday. The Scouts may want to carry these in a day-pack. There will be an afternoon break so that the units can enjoy lunch in the dining hall. Appropriate footwear is a must.

### **Leave No Trace**

We have permission to have campfires. Please be conscientious about this so that we are seen as good guests to the environment.

### **Firewood**

It is current DNR policy not to bring firewood to a campsite from more than 50 miles away (because of emerald ash borer and other pests). Rather it should be acquired from the Ranger station or fallen trees/branches from around the campsites.

Please forward the below to the adult leaders in your unit.

Registration Link:

Additional info provided here as well.

Thanks!

Your Klondike Committee.
