First Year Camper Program

The First Year Camper (FYC) program provides many opportunities for Scouts to learn new skills and take part in terrific adventures. This program will develop areas of outdoor skills, Scout skills, and citizenship. The First Year Camper (FYC) program focuses on helping young Scouts advance through the ranks of Scout, Tenderfoot, Second Class, and/or First Class.

Scouts wishing to cover all requirements should take Tenderfoot at 9:00, then choose a morning OR afternoon session of 1st & 2nd Class.

After that, it's your choice of which merit badges or activities you'd like to sign up for!

Aquatics Adventure

A week filled with fun on the water where scouts can help choose their adventure. Sailing, swimming, paddleboarding, kayaking, canoeing, pontooning, motorboating, and a trip to our private floating island are some of the great options that our experienced aquatics guides can lead.
