INTERESTED IN BUILDING AND CONSTRUCTION?

Join the Exploring Program at Sciame! Come and see what it takes to have a career in building and construction. Sciame was found in New York City completing over 1,000 projects in the Tri-state area and they could be your introduction to the building world! This program will provide students with an overview of careers and projects in construction. Students will make valuable connections and learn what their next step is to ensure a successful path in construction and building.
