

Scout Early Release Form

*If you want to type on this form, go to **File** and then go to **Make a copy** to create your own editable form.*

Scouts desiring to leave the camp prior to their unit's departure, or not as part of a unit, must have a release signed by their parents or guardians and approved by the unit leader. Scouts should normally only be permitted to leave accompanied by their parents or guardians.

In an **emergency**, it may not be possible for a parent or guardian to sign the release. In this event, sufficient information must be recorded attesting to the telephone call, or means of communication by which word arrived asking for the release of the Scout. This information should document the person from whom the call was received, verify telephone confirmation of the parent or guardian asking for release of the Scout, and give detailed reasons for a release.
