LETTER FROM CAMP LEADERSHIP

Scout Leaders

Choosing the right summer camp is one of the most important decisions you make each year for your Troop. On behalf of the leadership team at the Lake of the Ozarks Scout Reservation, we invite you to see why so many units across the country are calling LOTOSR their summer home.

The summer of 2025 was a historic one. Scouts traveled from 12 different states to experience a program unlike any other. Alongside traditional Scouting adventures like aquatics, climbing, and shooting sports, we offered cutting-edge opportunities that set our camp apart. Scouts designed and created projects in our Skills & Trades Lab—featuring welding, electricity, plumbing, automotive mechanics, and boat repair. They used CNC routers, 3D printers, and laser engravers to turn ideas into reality. At campfires and on the trail, they built friendships and confidence that will last a lifetime.

We are proud to be the only Scout camp in the country offering a program where youth can take an idea, design it, and then bring it to life. Combined with our Invention Lab, blacksmithing shop, woodworking facilities, and year-round trained staff, LOTOSR provides opportunities that few other camps can match.

If you're looking for a camp that will challenge your Scouts, inspire your leaders, and deliver an experience they will talk about all year long, we would be honored to welcome your Troop in 2026. Our team is here to answer questions, provide details, and help you see how the Lake of the Ozarks Scout Reservation can become a highlight of your unit's Scouting journey.

We hope you'll join us in 2026 and add your Troop's story to the history being made at LOTOSR.

Yours in Scouting,

ADVANCEMENT PHILOSOPHY

We're excited to offer more than 80 merit badges and specialty programs at Summer Camp! Camp is the perfect place to earn badges that are hard to complete at home—like climbing, swimming, watersports, shooting sports, and metalworking—while also exploring new interests. Scouts should choose badges that spark their curiosity, and leaders can help guide them, including toward Eagle-required badges.

But summer camp is more than merit badges—it's a week of adventure at the Lake of the Ozarks. From personal watercraft and water skiing to paddleboarding, troop activities, or just relaxing at camp, there's something for everyone. We encourage Scouts to keep a healthy balance of advancement and fun. As Baden-Powell said, "Scouting is a game with a purpose"—and our goal is to make camp the most fun and memorable experience of the year.

PROGRAM RECOMMENDATIONS

These recommendations consider the Scout's age, experience level, subject difficulty, and safety concerns. Some classes have a required age minimum, which must be met without exception. Suggested programs for Scouts are listed below:

- **Year 1:** Brownsea (first year camper program), First Aid MB, Instructional Swimming, Basketry MB, Swimming MB, Free Swim, Troop Shoot, and other Troop and Patrol activities.
- **Year 2:** Swimming (if not completed in the first year), Canoeing MB, Archery MB, Camping MB, First Aid MB, Rifle Shooting MB, Woodcarving MB, Fishing MB.
- **Year 3:** Climbing MB, Lifesaving MB, Metalworking MB, Shotgun Shooting MB, Movemaking MB.
- **Year 4:** Invention Scouts Startup Program, Lifesaving MB, Swimming and Watercraft Safety, Pistol, Water Sports MB, Motorboating MB, Small-Boat Sailing MB, Welding MB, Horsemanship MB, Counselor-in-Training.
- **Year 5+:** COPE, Pistol, Invention Scouts Startup Program, Swimming and Watercraft Safety, Personal Watercraft, Motorboating MB, SCUBA, Small-Boat Sailing MB, Aviation MB, Camp Staff.

NON-MERIT BADGE PROGRAMS

Your ultimate guide

SCOUTING IS FUN!

Non-merit badge program opportunities are available for all Scouts, whether they are first-year or veteran campers. Experienced campers can participate in challenging activities to further develop their skills. Beginner campers focus on activities that help them complete early advancement requirements and develop basic camping skills. Below is a list of all non-merit badge program opportunities.

- **Advanced/Adult Blacksmithing** \$ - advanced blacksmithing program for 14+ youth who have already earned the Metalworking MB and adults
- **Brownsea (first year camper program)** - 1st year camper program with an emphasis on the first 3 ranks in Scouting as well as basic scouting and camping skills i.e. knot-tying, campsite setup, etc.
- **Swimming and Watercraft Safety** - official course to certify participants to be safe with their units on the water. For youth 15+ and adults.
- **COPE** - starts with initiative games, and continues with low and high course activities. Participants will climb, swing, balance, jump, rappel, and learn to develop solutions to a variety of situations. For youth 14+. Adults are welcome to join when they arrive at camp and there is room in the class.
- **Invention Scouts Startup (youth) & Ranger (adult) Programs** \$ - In this program, scouts and adults will learn how to use cutting-edge technology such as 3D printers, laser-engravers, CNC routers, vaquforms, and more. For youth 14+ and adults.
- **Jet Ski** \$ - a fast, fun-filled program where scouts get to experience the Lake of the Ozarks while piloting a Jet Ski. For youth 14+ and must have a valid Boater's License.
- **OA Summer Camp Service Corps** \$ - special program for OA members only, to help work on service and conservation projects at camp.
- **Pistol** - for youth 14+
- **Scuba BSA/Snorkeling BSA** \$ - Scuba introduces scouts to the special skills, equipment, and safety precautions associated with scuba diving and provides a foundation for those who later will participate in the more advanced underwater activity.

ORDER OF THE ARROW

Your ultimate guide

The Order of the Arrow plays a vital role in the Scouting program, fostering year-round camping and contributing to both scouting and the community through service.

At summer camp, the OA offers a chance for troops to conduct their annual elections. Various activities such as OA swims, group service projects, and more are planned. Don't forget to extend invitations to friends and family for our weekly callout ceremony, held every Thursday during each session.

If you're an OA Member, remember to sign the roll book during check-in and volunteer for these events. Utilize these service opportunities to showcase the benefits, camaraderie, and fun of being part of OA to your unit, especially to the younger Scouts.

Further details will be provided by the OA Coordinator during check-in.

CAMP COMMISSIONER CORPS

Your ultimate guide

JOIN OUR VOLUNTEER CAMP COMMISSIONER CORPS!

Throughout the summer season, a dedicated team of Volunteer Camp Commissioners will collaborate with the staff to ensure that packs and troops enjoy a successful camp experience.

These commissioners will closely partner with the camp staff, performing tasks such as daily inspections of troop campsites and facilitating Introduction to Outdoor Leader Skills. Additionally, they may take on various unit-service and program support responsibilities, such as aiding in leader training, offering instructional support to program staff, or assisting with off-site excursions.

Members of the Volunteer Camp Commissioner Corps can attend camp at no cost. If you're interested, submit a volunteer commissioner corp application during registration.

SUMMER CAMP STAFF

Are you tired of doing the same old routine? Being a part of the Camp Staff isn't just another summer job. We work with Scouts of all ages to not just teach outdoor skills and merit badges, but to change lives. Plus, you get to make lifelong friends, spend the summer in the great outdoors, have an experience that will set you apart from others in future jobs, and have a ton of FUN! Camp Staff offers positions for everyone such as target & range sports, climbing, lifeguards, blacksmithing, and more.

Staff members must be at least 15 years old by June 1st. Many positions require 18+ or 21+ directors, so you're never too old to be on Camp Staff! Compensation includes housing, meals, salary and training.
