

# Trinity Trails Day Camp FAQ's

## **Who oversees my youth during Cub Camp?**

BSA-trained adult volunteers and youth staff will be leading specific programming activities or managing groups of youth as they enjoy their time at camp. All leaders hold current certification in Youth Protection training through Scouts BSA. We are thankful for our adult and youth staff volunteers!

## **Can I be an adult volunteer?**

Yes! We are accepting applications for a limited number of BSA-certified and YPT-trained adult volunteer leaders to be part of this transformational experience. Your participation in Cub Camp is FREE and your volunteer time can be added to Scoutbook. Adult volunteers must be vetted, agree to a background, and character reference check, and attend Cub Camp orientation training. Adult volunteers cannot double as an adult chaperone for a youth unless they are the Den Leader for their Scout's Den. You will receive an adult staff T-shirt to thank you for your hard work and help.

## **Can I be a Youth Volunteer?**

Yes! We are accepting applications for a limited number of Scouts BSA Troop Scouts to volunteer to help at Cub Camp. Your participation in Cub Camp is FREE and your volunteer time can be documented for your Troop. Youth staff will receive a youth staff T-shirt to thank you for your help and hard work.

## **Adult Chaperones:**

Adult chaperones are welcome to join campers at Cub Camp! Adult chaperones are there to spend time with one Cub Camper. They are not Cub Camp staff and cannot act as an adult staff member in any capacity. Any child aged 6 and entering first grade MUST be accompanied by an adult chaperone for all of Cub Camp. Adult Chaperones do not have to be registered Scouts BSA leaders but must provide Health Forms A+B and be YPT trained to be allowed to attend Cub Camp. This is to ensure that all adults on site understand the protection policies we have in place for our youth. Adult chaperones do not receive a Cub Camp t-shirt.
