### **BASIC ADULT LEADER OUTDOOR ORIENTATION BALOO**

It's the introductory training Cub Scout leaders complete before taking Cub Scouts on a Den or Pack overnight camping trip. Leaders who complete BALOO training are better prepared to plan a den or pack overnight events. You'll learn how to make camping activities and outings fun. You'll discover how to keep your Cub Scouts safe and entertained. And you'll learn how to plan an event that's rooted firmly in Cub Scouting's principles. Successful experiences in the outdoors make Cub Scouts — and their parents — more likely to keep coming back. Also required for Webelos and AOL den overnights.

BALOO training comprises two components—an online component and a practical, hands-on component. The online component must be completed before the practical outdoor and classroom component. The online training contains introductory and basic information to be built upon during the practical training.
