REGISTRATION AND CHECKOUT

ONLINE Registration is open at: [Longhorn Council - Tri District Fall Camporee](#)

Please submit your registration forms before the event!

NO VEHICLES MAY PARK IN THE CAMPSITES!!!

Each Unit is expected to thoroughly clean the areas where they camped. Scouts, you all know the drill. Remember the Outdoor Code and “live by it”.

On Sunday morning, an Interfaith Worship Service will be held at 8:30 a.m.

A SCOUT IS REVERENT!

Once your unit has broken camp, please arrange for a clearing inspection with the Commissioner Staff. After your site has been cleared by a commissioner, you may bring your vehicles to the campsite to load them for departure. The unit’s check-out packet with patches and ribbons will be at the Camporee Headquarters.

ROTATION PROCEDURE

Activities will be registered at sign-in. The activities are voluntary, and they will be first come, first serve. If you would like to pre-register, you can email in advance, but there are no guarantees.

Units are expected to proceed according to the schedule signed up for a sign-in. Event Staff will have copies of this schedule and if the activity is full, additional scouts will be turned away. Troop Leaders, please help your unit follow the Rotation Schedule.

UNIFORM POLICY

The BSA Scout uniform, (Field or Activity), will be worn by all Scouts and Leaders during Saturday Morning assembly, at Campfire, and at Interfaith Worship. Outside of those times, it is up to the unit, but if not in Field uniform, an activity shirt is required. Weather-appropriate clothing should be brought and worn as needed. Everyone will have a canteen/water bottle while on camp.

CAMPSITE SELECTION, MAP & DIRECTIONS

Campsites will be assigned at check-in on a first-come, first-served basis. Female units will be separated from male units so make sure you identify your unit correctly with a B or G at registration.

It is encouraged for comradery to have your campsite decorated. The best scout spirit and/or decoration will likely be acknowledged at campfire. Units improve their campsites with scout-produced decorations and devices (gateways, flag displays etc.).

The Guide to Safe Scouting <http://www.scouting.org/healthandSafety/Gss.aspx> is the guiding document. Please don't cause us to have to enforce safety rules! **All Scouting America policies will be followed.**

CAMPFIRE PROGRAM

Saturday Night there will be a campfire conducted, followed a star watching party. Naps are encouraged to be scheduled, so the scouts will not have problems staying up late to star-gaze.

It is encouraged that the following merit badges be reviewed prior to the camporee:
