Fundamentals II (The Trainer's EDGE) (5 periods)

The Trainer's EDGE is the required train the trainer course for Wood Badge and NYLT staffs. The purpose of the Trainer's EDGE course is to provide and help develop the platform skills of a trainer. It is meant to supplement the practice offered through Wood Badge and NYLT staff development, with a focus on the participant, while raising the level of skill a trainer brings to the staff experience. Only practice can polish these skills, but this course is intended to "train the trainer" on behaviors and resources while offering hands on experience in methods and media. The Trainer's EDGE is the second part of the T3 (Train the Trainer) continuum. As trainers develop their training skills, The Trainer's EDGE provides an additional opportunity for trainers to enhance their abilities. Any Scouter who delivers training to youth or adults is welcome to attend, including Wood Badge and NYLT Instructors, District and Council Trainers, Commissioners, Pack Trainers, Merit Badge Counselors. The Trainer's EDGE is also a great tool for Cubmasters, Den Leaders, Scoutmasters, Crew Advisors, Youth Leaders, Roundtable Staffers, and anyone who presents almost any subject matter to others.
