

Suwannee River Area Council
Eagle Scout Recognition Banquet

Saturday, March 22, 2025

Doors Open: 5:30pm, Dinner and Program: 6:00pm
FSU Dunlap Champions Club West Ballroom (3rd Floor)
225 Champions Way Building B, Tallahassee, FL 32304

The Suwannee River Area Council invites the
John Wood Eagle Scout Class of 24/25
and their families, friends, Scoutmasters, and leaders to attend the Eagle Scout Recognition Banquet. All Scouts who earned the rank award in 2024 and High School Seniors who earned the rank award in 2025 are invited. This event is provided free of charge for the current class of Eagle Scouts due to the generosity of Eagle Scout sponsors.

The NESA Outstanding Eagle Scout Award (NOESA) award is presented solely to Eagle Scouts who demonstrate remarkable achievements well beyond their Scouting endeavors by excelling in their careers/vocations at local, regional, or national levels. NOESA recipients inspire others through their positive actions, demonstrating excellence in their chosen professions, hobbies, community service, and adherence to religious beliefs.

Our 2024 recipient is Tim Hunt. Tim earned his Eagle Scout from Troop 109 and currently serves as the Committee Chair for Troop 109. He earned the Silver Beaver Award in 2008. Tim has achieved personal excellence as owner and manager of Central Heating Consultants since 1992, upholding the family tradition of professional, courteous service and knowledgeable HVAC care.

For our special recognition this year, we are honoring the legacy of Dr. Tom Wood and Paul Hunt and all Eagle Scouts in those two families, and paying tribute to the memory of John Wood, who gave and meant so much to this Council. John was an Eagle Scout from Troop 115 in Tallahassee. As an adult, John served as Scoutmaster of Troop 109, Council Treasurer for many years, Council President for three years, and most recently served as our Major Gifts Campaign Chair, helping secure the funds needed to fuel our Scouting program for the next generations of Scouting in our Council.
