Welcome to Wallwood!

Lights Cameras Action, give us your close up at Wallwood Summer Camp 2025! We hope that you are photo ready! The producers will walk away after Our Five Star Merit Badge Experience.

The Camp Leadership in 2025 welcomes every scout and scouter who chooses to spend their summer and scouting experience with us at Wallwood Boy Scout Reservation in the climate of Quincy, FL. We hope they learn to use their acting skills, wits, strengths, and film work to enhance their experience and form memories that will last a lifetime.

We will offer acting classes (merit badges) and individual touch ups (rank advancements) focused on introducing scouts into the Wallywood experience.

Our film set locations include tent platforms with canvas wall tents and eight-person cabins. There are plenty of trees available to hammock camp, and every set has a covered area with benches! You can also expect a campfire pit and plenty of wood for fuel – though you may have to do a little foraging for your own kindling!

Why Wallwood?

Established in 1966, over 400 acres of wooded paradise set on the beautiful Lake Talquin.

If sending mail to a camper, please be sure to send it to their attention. Camp mail will be given out at the morning or evening assembly.

Registration

Merit Badge selections will be available through the On-line Registration system. You do not need to know your Scouts Merit Badge selection to complete the Basic Registration process – come back whenever you need to adjust the Merit Badge selection. **To ensure your unit's needs are met, Merit Badge schedules must be submitted before June 1. Scannable and Clickable Link Below.**

General Merit Badge Note: Although we do our best to select Merit Badges which can be completed at camp, some of these Merit Badges cannot be completed at camp. Most of the Merit Badges that may have partial completions have been noted at the bottom of their respective Merit Badges. The Scouts, however, will be able to leave with a very large portion of the requirements completed.

Unit Registrations

There will not be any unit deposit, as there has been in years past, however the person entering the on-line information should still be the Troop Contact person. This will be the person that camp staff will communicate with concerning all summer camp issues. We are maintaining our price at \$360 per Scout. We will do our best to honor campsite preferences but cannot guarantee assignments.

Adult Registration

Troops with eight or more Scouts may bring two adult leaders for free. Additional leaders must pay a fee of \$150 per week. Troops with fewer than eight scouts will need to pay the \$150 per week fee for all adults. We understand that many Troops are unable to provide two full time leaders and, to comply with two-deep leadership standards, must schedule multiple adults to switch throughout the week. Please submit a schedule of alternating adults be submitted to the Camp Director no later than June 1. Should this schedule of rotating adults not be submitted, each unauthorized adult may be required to pay \$10 per meal.

Program Specifics

Trailblazer

During the Trailblazer program, the scouts will earn the below requirements and participate in the below activities (weather and time permitting).

They will go on a 5-mile hike, participate in Scoutcraft, Handicraft, and Nature knowledge building, attempt the BSA Swim, learn basic swimming skills, and earn First Aid Merit Badge. They will participate in classes on Flag Etiquette, Navigation, Knot Tying/Lashing, and Hiking.

Provisional Campers – Baden-Powell Scouts

Scouts who cannot come to camp with their troop or wish to attend an additional week of camp may attend Wallwood Boy Scout Reservation as individual campers (we call them Baden - Powell Scouts). We place Baden-Powell Scouts with established troops.

Our goal is for every Scout to have a successful week at camp. Therefore, having adult volunteers in camp to support these young Scouts is critical. Individual Scouts wanting to attend Summer Camp must contact the Camp Director to confirm arrangements to attend with the Baden-Powell Troop.

Camperships

The Suwannee River Area Council has a limited amount of funding available as “camperships” to assist our Scouts of limited means to attend Camp. Unit leaders must determine the need and apply for the campership on behalf of the Scout or his family. The application form is available at the Scout Shop and on the Council website.

Partials

Requirements that are not completed at camp are to be evaluated on a case-by-case basis. Camp counselors cannot sign-off for requirements they cannot confirm. Any Scout that does not complete a Merit Badge at camp will be issued a “partial” for the work completed at camp.

Need to Knows

Check In

Your Troop should plan to arrive at camp between 1:00pm and 3:00pm on Sunday. **A sign up genius will be provided closer to camp to sign up for times to arrive.**

All forms will be collected on arrival, please try to group these together to make this a quick process. You will be assigned a Troop Guide who will give your scouts a tour while Vehicles are being sent into camp. Your Troop will then proceed to the pool (at the assigned time) for the swim test. Should bad weather prevent swim tests at this time, make-ups will be held Monday morning before breakfast and other times as the situation requires.

Check Out

After flags on Saturday morning, pick-up breakfast at the Dining Hall to take back to your campsite to eat. Once your campsite is ready for final inspection, send a representative to the Administration Office to let the Commissioner Staff know you are ready to leave. If any damage is noted, it can be settled at the administration building. You will need to send a representative from your Troop by the Health Lodge to collect your medical forms and any medication. If your troop would like the option of checking out after the Friday evening campfire, please make arrangements with the Camp Director in advance.

Parking/ Troop Trailers

Vehicles must be always left in the main parking lot after gear drop-off. Only designated camp staff vehicles are permitted in camp.

Trailers containing gear may be taken into camp. Trailers must be parked so as not to obstruct the free flow of traffic. Once gear or supplies have been emptied from vehicle and trailer detached, the vehicle must be parked in the parking lot. No loitering of vehicles is allowed in camp. No personal camper/trailers are permitted on camp property.

Medications at Camp

All prescription drugs are to be kept in locked storage either in the health lodge or lock box controlled by unit leadership. An exception may be made for a limited amount of medication to be carried by a camper, leader, parent or staff member for **life-threatening conditions**. These include heart medication, inhalers, epipens, glucagon, etc or for a limited amount of medication approved for use in a first aid kit.

It is the responsibility of the Scout and Scoutmaster to handle when medication needs to be administered. A record of medication administration will be kept in the medical log.

Special Programs

Wallwood Boy Scout Reservation offers special programs throughout the week to keep the camp experience fresh and exciting for all participants! Your unit's camp experience would not be complete without participating in several of these. Check our schedule for more details!

Camp-wide Campfires

There will be a camp-wide campfire on Sunday, Wednesday, and Friday evenings. The staff will run the opening campfire on Sunday. The OA will run the campfire and Pow Wow on Wednesday evening which will conclude with OA Call Out. The closing campfire on Friday will be led on by the units with the assistance of the staff.

Monday – Poolmaster Challenge

Scoutmaster Belly Flop/Youth Cannonball: Celebrity staff judges will rank both adult and youth alike on their water entry skills. Extra points will be given for pizzazz, splash, form, and the ever sought after "ouch factor."

Tuesday – Staff Hunt

This event is where the staff will hide and scouts will look for them, the troop who finds the most staff will win a prize. Staff are given a playing card to sign with a sharpie and give to the scouts who find them. The "value" of the card doesn't matter, it is just a matter of which troop gets the most cards. The event will last an hour and a half and will be after the free swim on Tuesday. Scouts will meet at the council ring to start and will return to the flag poles to tally up cards after the time is up.

Wednesday – Family Night

Families are invited to Wallwood for Family Night! Come to see your scout's name in lights at Wallwood as we show you the stars! After the fun and games come to an end, join us for the Wednesday Campfire program and OA Call out where newly elected OA inductees are recognized. The OA Dance and Drum team will be there to put on a scouting Pow Wow, so come experience the fun with your Scout Star!

Please note: the camp does not provide Wednesday nights meal – the Order of the Arrow will be on site to run their "Roadkill Grill" where you may purchase dinner items or please make arrangements for your visiting parents to bring dinner for your Troop.

Thursday – Wallwood Marathon

Each unit will have 10 runners who have to complete challenges and overcome obstacles. Put your skills to the test by sending representatives to each of the 9 program areas. Each competitor will finish their challenge and then run to the next area.

More Fun

Camp Gadgets

Creating camp gadgets in your campsite is an excellent way for patrols and troops to focus on Scout skills during down time. Ideas include making a gateway to the campsite, building drying racks, weather rocks, and more. Remember that if your camp gadget requires poles, ropes, etc. that you need to supply your own. Please take down your gadgets before checking out of your campsite on Saturday.

Camp Improvements

There are always many ways to improve camp such as spreading mulch, improving trails, painting directional and information signs, improving a campsite. We invite Scout leaders to bring tools to camp and work on projects during the week. To coordinate this please contact the Camp Commissioner or Camp Ranger for a list of potential projects.

Awards

Wallwood Boy Scout Reservation offers additional awards for those patrols, units, and individuals that put out an extra effort while they are at camp. We will have an awards program at the closing campfire on Friday evening to recognize troops, individual Scouts and Scouters as well as staff for various activities and achievements throughout the week.

Five & Dime Award (one attempt per scout, must have signed consent form)

Rifle - Test your skill with our .22 rifles! Complete a five shot group within the diameter of a nickel and earn your rifle "Five award" or "Nickel award". If your five shot group fits within the diameter of a dime, then you'll earn a special "Dime Award". All 5 shots must be completely covered by the coin.

Shotgun - Try your hand with our 20 gauge shotguns! Take a total of ten shots. Break five in a row and earn your shotgun "Five award" or "Nickel award". If you break all ten, then you'll earn a special "Dime Award".

Participants receive only the highest award for which they qualify.

Chief Nea-Math-La Award

Troops will be given the opportunity to earn the Chief Nea-Math-La Award which is the Wallwood Boy Scout Reservation Honor Troop Award. To receive this award, the Troop must meet 8 of the 10 requirements. To qualify, the Troop must submit the completed form to the Program Director by noon on Friday. The awards will be presented at the Friday night campfire.

OA Pow Wow/Call Out

Order of the Arrow Purpose

The Order of the Arrow is Scouting's national honor society. It recognizes those campers who best exemplify the Scout Oath and Law in their daily lives and by such recognition, cause other campers to conduct themselves in such a manner as to warrant similar recognition, to promote camping, and to crystallize the habit of helpfulness as a life purpose. Each unit with qualified Scouts is urged to hold an election during the spring. You select the date and place of the election as unit leader. An assigned election team from the Order of the Arrow will be on hand to conduct the election.

Youth Eligibility

To become a member, a youth must be a registered member of a Scouts BSA unit and hold First Class rank. The youth must have experienced 15 days and nights of camping during the two years before their election. The 15 days and nights must include one, but no more than one, long-term camp consisting of six consecutive days and five nights of resident camping, approved and under the auspices and standards of the Boy Scouts of America. The balance of the camping must be overnight, weekend, or other short-term camps. Scouts are elected to the Order by their fellow troop members, following approval by the Scoutmaster.

Call Out Ceremony

The OA Call-Out ceremony is conducted each Wednesday night. It is a memorable ceremony for all newly elected Scouts as well as guests. This ceremony will be held at the traditional Wednesday Night Campfire. Non-council units must have a copy of their unit election report as well as a letter from their home lodge stating it is OK for their Scouts to be called out by Semialachee Lodge. The forms and letters must be turned into the camp office by noon on Monday.

Campfire Pow Wow

After the Call-Out ceremony on Wednesday night, a special ceremony will be held at the Cherokee Ring to honor our native ancestors and the land in which we live. Please plan to join us for an authentic Pow Wow featuring drum, dance, and singing! You'll leave this activity with a better understanding and appreciation of the history in which we all are a part.

Wallwood Bulletin - Dining Hall Slide Show

During lunch and dinner, a slide show will play in the Dining Hall displaying information about programming activities. Items included will be open program areas, camp wide competitions, troop competitions, and special evening activities and events. It will be updated daily.

Leader's Meetings

It is important that unit leaders attend the daily Leader Meetings to learn important information, participate in discussions, and hear announcements. Participation and attendance at the meetings are essential for clear and accurate communication. Every unit should be represented at these meetings.

All units should receive paper records regarding any advancements made at camp, and all will be made available digitally via BlackPug (our online registration system that is accessible via <https://scoutingevent.com/>) as well. If the person who registered the unit logs on to BlackPug they should be able to access the registration. They can do this by going to <https://scoutingevent.com/664-SC25> and logging in. You can also go to the email confirmation from your registration (from NO-REPLY@247SCOUTING.COM) and choose the “Click here for event details” link in that email.

Choose “Sign-in” from the top, enter the same email that was used to register, then click your name. Select the event (Summer Camp) and choose “View Registration.” From there, go to the reports tab, and download the unit advancement detail, it should give you all this information. There is also an option to download the Scoutbook upload file, so the advancement chair can directly import all of summer camp into Scoutbook easily.

Please note that only the person who registered the unit will have this option. The person who registered the unit can activate the optional “Parent Portal” feature as well, for individuals other than themselves to access the information. For more information on this feature or with questions on how to access records, please reach out to Jonathan.Hutto@scouting.org.
