Mission:Wilderness

Scouts 14 and older will trek out to a remote part of camp with experienced Camp Staff, where they will remain for the duration of the camp. Scouts will have very little interaction with main camp as they work together to "survive" the wilderness while working on

Merit Badges:

Wilderness Survival (will not complete)
Search & Rescue
Weather

Soaring to Eagle

Life Scouts working towards the rank of Eagle Scout can sign up to work with a Staff Member who has been through the process. Scouts will receive advice, tips, tricks, and support as they work to build their "Eagle Book" and prepare for their service project.

Please Note: While we anticipate this to be a complete list, it is subject to change pending available instructors
