Tips for Cub Family Weekend

- Plan to arrive at camp between 5:30 and 8:30 pm Friday. *The earlier the better. It is easier to set up campsites when the sun is out. **No one will be allowed in camp prior to 5:00 pm except staff and packs that have pre-arranged trailer drop off.***
- **Consolidate your gear.** Put it in a plastic tub, duffel bag, or tote. **Label your gear** with your name and Pack number. We will be dropping these to your campsite and to prevent lost gear we ask you to group everything together as much as possible.
- **Bring medications in original containers.** Make sure they are NOT expired, including inhalers and EpiPens. DO NOT STOP taking any maintenance medication. **Bring your Health and Range Activity forms.**
- If you have **special dietary needs**, please note that in the dietary part of the online registration. If you need **electricity for a medical device**, bring plenty of extension cords.
- **Costumes are welcome.** *Even though we've moved to a different theme, we want the Scouts to have fun!* **Closed-toe shoes must be worn at all times.**
- **Personal vehicles are NOT allowed in campsites.** Drop off your camping gear in the **Drop Zone** under your campsite's popup tent. *Your gear will be hauled to your campsite.* **Pack trailers** may be dropped off at campsites, but **the tow vehicle must be removed** to the parking lot. *If you plan to bring a pack trailer, please notify Justin Feld ASAP at 850-498-8086.*
- **Always wear your wristbands.** *They are your meal ticket and help keep camp safe by knowing who belongs where.* **Campers who must leave early** must report to the Administration Building and to Pack Leadership prior to leaving camp.
- Please **clean up your campsite** before leaving. A Scout is **CLEAN**.
- **HAVE FUN!**
