Part A: Informed Consent, Release Agreement, and Authorization

Full name:		High-adventure base participants:			
Date of birth:		Expedition/crew No.:			
Date of Sirth.		or staff position:			
Informed Consent, Release Agreement, and Authorization I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct. In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including	authorize videotap Scouting coordina with the reproduc photogra at the dis	ereby assign and grant to the local council and the Boy Scoped representatives, the right and permission to use and purpes/electronic representations and/or sound recordings may activities, and I hereby release the Boy Scouts of Americators, and all employees, volunteers, related parties, or othe activity from any and all liability from such use and publication, sale, copyright, exhibit, broadcast, electronic storage raphs/film/videotapes/electronic representations and/or so iscretion of the BSA, and I specifically waive any right to as the foregoing.	ublish the photographs/film/ ade of me or my child at all a, the local council, the activity ler organizations associated cation. I further authorize the e, and/or distribution of said und recordings without limitation		
hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of	Every pe of the pa Section	erson who furnishes any BB device to any minor, without the parent or legal guardian of the minor, is guilty of a misdement of 19915[a]) My signature below on this form indicates my permission for my child to use a BB device. (Note: Not all every supermission for my child to use a BB device.	eanor. (California Penal Code permission. ents will include BB devices.)		
the participant's ability to continue in the program activities. (If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities. With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive	Checking this box indicates you DO NOT want your child to use a BB device. NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.				
any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.
