Leadership and character building opportunities for young people in South Jersey are needed more today than ever before. That is why we are continuing the legacy of our father, Loren S. Riggins, Jr., in supporting the Boy Scouts in their mission to provide positive experiences for youth in our area.

This is the second year we have merged the Annual Ed Bridge Golf Classic to continue the Bridge Family legacy in support of Scouting.

The Garden State Council serves over 7,000 young people and 3,000 adult leaders each year, and this golf tournament is one of the main fundraising events that sustains their success.

We invite you to join us for a fun-filled day on the course at beautiful Running Deer Golf Club on October 5th, and would appreciate showing your support through a sponsorship. Only through the generosity of community leaders like yourself can the Garden State Council of the BSA continue their success.

Thank you in advance for your support.

Sincerely,

Paul & Steve Riggins
