EATING GREAT IN THE BLACK HILLS

Bon Appetit!

One of the many things that set Medicine Mountain apart from other camps is the ability for units to select what they eat and when they eat it. Our food services team has put together a menu for 2024 that has variety and balance. All meals are created using the USDA's myPlate nutrition guide, ensuring that all meals are balanced.

There is a default menu for each day/meal period as well as alternate menus to select from if desired. Friday night's meal is reserved as a premium meal as a celebration at the end of camp. All these options are presented in this guide.

Our team also has the ability to handle common dietary restrictions. Please be aware that all **special dietary requests are due May 1st, 2024**. Requests are entered in the "Dietary Restrictions" field under each participant on our online registration system. If a participant has numerous food allergies and would require them to bring their own food to eat a letter from a health professional (doctor or dietician) will need to be emailed to have the cost of food reduced for that participant for their week at camp.

Please send requests & letters to reservations@blackhillsbsa.org by the due date.

If your unit has any questions regarding the options listed in this guide, please send an email to reservations@blackhillsbsa.org or give us a call at 605-342-2824.

Warm Regards,

Stewart Smith

Council Program Director & Camp Director

Wednesday Meals

During Wednesday, all units depart camp to tour the Black Hills. A normal breakfast is provided that morning. During Tuesday Dinner Pick-up, units will also pick up their sack lunch for Wednesday. No dinner is provided on Wednesday at camp**. Most units will visit local pizzerias or pick up food at a local grocery store to have dinner while out and about.

****Since there is no dinner pick-up on Wednesday units will need to have a special breakfast pick-up on Thursday morning at commissary from 6:00AM – 6:30AM. This is for Thursday Breakfast only.**

Dietary Restrictions

Medicine Mountain is prepared to handle common dietary restrictions. Please be aware that all **special dietary requests are due May 1st, 2024**. Requests are entered in the “Dietary Restrictions” field under each participant on our online registration system. A letter from a health professional (doctor or dietician) will need to be emailed to reservations@blackhillsbsa.org by the due date. Letters are kept on file during the summer to help our food services team plan.

The Medicine Mountain Scout Ranch & Adventure Base will not make substitutions just because a Scout or Scouters does not like certain vegetables or fruits. All dietary restrictions must be documented by a health professional.

Portion Sizes

Our food service team utilizes portion sizes that a certified nutritional professional recommends.

Food Sourcing

Medicine Mountain utilizes a variety of food sources to feed our participants, staff, & guests. These sources include the National Food Group, US Foods or Sysco, local grocery stores, and Feeding South Dakota. For detailed information regarding our food sourcing, please contact our team at 605-342-2824 or send an email to reservations@blackhillsbsa.org.

ADDITIONAL INFO

Staples

At the beginning of each week, your unit will be issued staples. As these staples run low or out, please bring them back to the commissary to be restocked. Staples include:

- Salt
- Pepper
- Peanut Butter
- Jelly
- Cooking Oil
- Salad Dressing
-

- Loaf of Bread
- Ketchup
- Mustard
- Drink Mix
- Margarine or Butter
- Syrup
- Mayonnaise

Spices

Units are responsible for bringing their own stock of spices to add to meals. Each unit will receive exactly what the menu reads in this guide.

Entering Your Unit's Menu Selections

Units have until May 1st, 2024 at 11:45PM to enter their unit's menu selections. Units that do not make their selections by the deadline will automatically be assigned the default menu. The link to input your menu options is:

<https://forms.gle/tQUUtW7FLxKNWxUN9>

Provisional Campers will have the same menu as their host unit for the week and do not need to select a menu.

Food Pick-up

Since Medicine Mountain is a troop / patrol style cooking camp, units will need to pick up their unit's meal ingredients two times a day from the camp's commissary.

Lunch Pick-Up: 11:15AM – 11:45AM (times may change & will be announced at camp)

Breakfast & Dinner Pick-up: 3:30PM – 4:15PM (times may change & will be announced at camp)

Units should bring coolers to store breakfast ingredients overnight. Ice can be brought to camp or purchased at the Trading Post for \$2.00 per 8lb bag.

It is also recommended that units bring wagon(s) to transport their food, as non-camp motor vehicles will not be allowed to travel within the camp.
