

### What is the Closest Major Airport to Camp?

- The closest major airport is Denver

### How long does it take to drive from Denver to camp?

- It is a six hour drive to camp from the Denver Airport.

### How do we get from Denver to Camp?

- Denver is a large metro area that is a tourist destination in the winter for skiing. During the summer 15 passenger van rental deals can be found since those types of vehicles are not in high demand in Denver in the summer.

# Did you know that Allegiant is now flying direct flights to Rapid City?

### What is the benefit of flying to Rapid City?

- The Rapid City Airport is just about an hour from camp.

### What about rental vehicles in Rapid City?

- The summer is peak tourist season in Rapid City so renting vehicles can be difficult unless it is done way in advance. Renting large vans in Rapid City during the summer can be very expensive for a week since it is tourist season but other vehicle rentals are usually very reasonable.

### What about our troop gear?

- Medicine Mountain Scout Ranch is a Patrol / Troop cooking camp and units also provide their own tents but don't let that discourage you from choosing MMSR. Camp has patrol boxes that can be rented and can work with units to partner with some of our local troops for out of state troops to use a local troop camping gear. Many troops have also sent 2 adults driving to camp with the troop trailer a couple days before the troop flies into arrive at camp.

### Why come to MMSR for summer camp?

- Our Expedition Black Hills Program is one of a kind and you can experience the best sights of the Black Hills and also have a summer camp to remember forever.

*Scan this QR code to visit the MMSR website for more information about camp and the Expedition Program including sample itineraries.*
