MOUNT RUSHMORE
PILGRIMAGE

Come Hike the Faces

The Mount Rushmore Pilgrimage has been a tradition since 1938. At the first hike, there were only images of George Washington, Thomas Jefferson, and Abraham Lincoln on the Mountain. The final carving, Teddy Roosevelt, was still under construction.

Hikers will depart from locations throughout the Black Hills and end at Mount Rushmore. The Award Ceremony and Keynote Speaker will start around 4pm on September 12th, 2026.

This Year's Event: This year's event will start at Medicine Mountain Scout Ranch (MMSR). In past years we have had participants from Troops throughout South Dakota, Wyoming, Colorado, Nebraska, North Dakota, Minnesota, Montana, Wisconsin and Iowa, just to name a few. Buses will take hikers from MMSR to each of the Trail Heads.

Come Hike the Faces:

Hikers depart from locations throughout the Black Hills, following the Washington, Jefferson, Roosevelt, and Lincoln Trails to Mount Rushmore. The four Scout hiking trails range from approximately 10 miles to approximately 14 miles. Age appropriate trails for Webelos/ AOL (@ 5miles) and Cub Scouts (@1 mile) are also available. Only BSA registered scout and scouters are allowed to hike the five main trails (Washington, Jefferson, Lincoln, Roosevelt, and the Borglum Trail). The four main trails are strenuous to extremely difficult hiking trails, based mainly on elevation changes. As a result, the four BSA trails do require A, B, **and C** sections of the Health Form for all Hikers. There is a sixth trail, the Cub Scout Trail that is open to family members to participate in as well as any Cub Scout.

Leader Responsibilities:

Provide adequate food, water, equipment and transportation for your Scouts. Make sure that everyone is dressed for the weather conditions. For safety reasons, the Trail's Hike Master and/or medical services staff will have the final approval of all Scouts, Scouters and guests on the trail.

- **Two Deep Leadership is required while in camp and on the trail. Remember, you are responsible for the conduct of your Scouts- not the Hike Master.**
- Units must check-in with the Camp Master/Camp Host between 5pm-7:30 pm on Friday, September 11th @ MMSR. Those that are only hiking (not camping with a unit) must check-in with the Hike Master at camp prior to when the individual hike begins.
- At Check-in, units must have the following Required Forms:
 - Copy of registration form
 - Proof of payment or a check for payment amount
 - Provide a list of Scouts, Scouters staying overnight and/or hiking the trail.
 - For Troops and Crews any adult staying at camp overnight with your unit must be registered in a fee-paid position and have passed a background check to camp with your troop or crew
 - Copy of current year Annual Health and Medical Record for each participant (**Parts A, B & C**)
- There will be a **Leader's Cracker Barrel** at Townley Training Center Friday night @ 8:30 pm. Hiking plans, Unit hiking rosters and other activities will be confirmed during this meeting. One Unit Leader and One Senior Patrol Leader should attend. Webelos leaders from each pack should attend, also if you are camping @ MMSR. Breakout sessions for each trail will be conducted after the general meeting.
- Unit leaders should thoroughly review the **RISK ADVISORY and PHILMONT WEIGHT LIMITS FOR BACKPACKING AND HIKING guidelines contained within this Leader's Guide**, to ensure their registrants are prepared to meet the physical demands of the hike.
- Hike Masters for each trail should notify the **Camp Master** (or designated Master of Ceremony) of what skit/song they will be performing at the Saturday night **Campfire**. An inspiring message will be given at campfire instead of a church service on Sunday Morning. If units would like to have their Scouts Own service at their campsite, that is up to each unit.
- Each Scout must have an **Adequate Water Supply**. The recommendation is at least 2 liters per Scout (3 liters for hikers on the Lincoln and Roosevelt Trails)
- Scouting Essentials

- Appropriate **closed-toe Hiking Shoes** with socks; sandals and tennis shoes are not appropriate or allowed
- Poison ivy in the Black Hills is widespread. **Long Pants or gaiters** are strongly encouraged.
- Saturday will be a strenuous hiking day, so everyone is asked to be quiet after **Lights Out** at 10pm on Friday night.
- Unit Leaders are responsible for having their unit Flag by the Ranch House @ MMSR the morning of departure on the buses. Flags will be brought to Mt Rushmore for you. It is your responsibility to bring them back with you from Mt. Rushmore on the buses.

Transportation:

- Units with **Webelos/AOL Scouts** are encouraged to work with a **Scouts BSA Troop** to coordinate co-camping and transportation needs between these two units. **Webelos units** that do not camp with a Scouts BSA Troop or do not camp on their own at MMSR are responsible for their own transportation to the Trailhead and from Mount Rushmore. **This means that** Packs are individually responsible for providing transportation to and from the trailhead on Saturday, unless they are camping at MMSR, where transportation will be available.
- **Cub Scouts** are encouraged to participate in age-appropriate activities at Mount Rushmore on Saturday afternoon. Packs are individually responsible for providing transportation to and from Mt. Rushmore on Saturday.
- Transportation has been arranged for units camping at Medicine Mountain Scout Ranch (MMSR).
- All individual units will be responsible for ensuring their scouts are on time and on the correct bus. Buses will depart Saturday morning from MMSR for each of the trailheads. Buses will again be available at Mount Rushmore, following the ceremony, for travel back to MMSR. Buses will be color-coded based on what trail you are hiking to ensure scouts, scouters, and guests get on the appropriate bus. **Only those paid scouts, scouters, and guests with an approved wristband will be allowed on the buses.**

Registration:

- All units must be registered prior to the event.
- On-site check-in will be held on Friday, September 11 th, from 5 pm - 8 pm at Medicine Mountain Scout Ranch.
- Unit leaders must sign in when they check in with the Camp Master, provide a list of Scouts, Scouters staying overnight and/or hiking the trails. Including Pre-Event Medical Screening Temperature Checks

- A copy of the Registration Form will be required at the Friday night check-in.
- Proof of payment will be required at the Friday night check-in. Those units/individuals not camping will be required to show proof of payment before starting the trail.
- An Overnight Camping & Unit Hiking Roster will be required at the Friday night check-in.

- **“No Shows” at activities, those sent home because of misbehavior, and Scouts** leaving an activity for non-emergency reasons forfeit all fees, and no refunds will be authorized. This applies to individuals and/or units.
- All cancellations must be in writing and received by the Council office **before an activity’s start date. Please return the request addressed to the Attention of the “Refund Committee”.**
- The unit leader or person in charge of the unit activity must handle all refund requests.
- **No requests for refunds will be honored after the event.**
- Refund **checks will be made out to the “unit” rather than an individual.**

NOTE: Activity personnel cannot authorize refunds. All refunds require the approval of the Refund Committee, which includes the Scout Executive.

Risk Advisory:

- Since its inception, Pilgrimage has had an excellent health and safety record. We strive to minimize risks to participants by emphasizing proper safety precautions. If you decide to attend Pilgrimage, you should be physically fit, have proper clothing and equipment, be willing to follow instructions, and take responsibility for your own health and safety. Pilgrimage is not “risk free”; therefore, you need to listen to safety instructions carefully, follow directions from the Hike Master and take appropriate steps to safeguard yourself and others.
- Parents, leaders, and participants at the Pilgrimage are advised that this event can involve exposure to an accident, illness, and/or injury associated with high elevation and is a physically demanding high adventure program in a remote mountainous area. Participants may be exposed to occasional severe weather conditions such as lightning, hail, flash floods, or extreme heat or cold. Other potential problems include: injuries from tripping and falling, motor vehicle accidents, worsening of underlying medical conditions such as diabetes or asthma, heart attack, and heat exhaustion. The volunteer medical staff is trained in first aid and CPR to assist in recognizing, reacting, and responding to accidents, injuries, and illnesses. They work with the Hike Master to determine if someone can participate in the hike. Remember, response times can be affected by location, weather, or other emergencies.
- Each unit leader is encouraged to use the **“Philmont Weight Limits for Backpacking and Hiking”** as a guide for determining who should hike the trails. **WE STRONGLY RECOMMEND** that participants who fall outside these levels be counseled not to attempt the hike. These guidelines are not just for the scout but also for the scouter and approved guests.

PHILMONT WEIGHT LIMITS FOR BACKPACKING AND HIKING:

Each participant in a trek must not exceed the maximum acceptable limit in the weight for height chart shown below. The right-hand column shows the maximum acceptable weight for a person's height in order to participate in a trek. Those who fall within the limits are more likely to have an enjoyable trek and avoid incurring health risks. Philmont recommends that participants carry a pack weighing no more than 25-30% of their bodyweight.

5'0	97-138	166	5'10	132-188	226

Four Golden Staves are presented to the units with the most impressive overall programming for their scouts for the current Scouting year. The four Golden Stave winners will have the option to be a trail lead at next year's event. The four Golden Stave winners are then qualified to win the **Golden Boot**, which is presented to the unit with the most impressive overall programming.

- **SILVER SNEAKER AWARD:** Pack submits program records for consideration of being awarded the Silver Sneaker. This award is presented to the Cub Scout Pack with the most impressive overall quality program for the current year. - Each unit maintains its position in line unless changed by the Hike Master.
- The Hike Master knows the trail and will set the pace - all other units are asked to cooperate.
- Rest stops are suggested every half hour or more often as needed - units may rotate at this time.
- This is not a race, but a controlled hike for enjoyment and fun.
- Units need to bring hand sanitizer to use while on the trail and while in their campsite. Sanitizer stations at camp are for use in those common areas only.
