

MMSR - BSA HEALTH FORM POLICY For SUMMER CAMP 2020 Only

In light of COVID-19, the following guidance is being provided and will be in effect until August 31, 2020. The following one-time exceptions will only apply to BSA Accredited Council Camps and BSA High Adventure Bases. Not For Troop Level Camping Activities

Option 1: Participants have a current Completed Health Form

Note: Participants that have a valid, completed AHMR Parts A, B & C (NCAP HS-503) within 12 months of camp need no exception.

Option 2: Participants with a Part C completed on or after February 1, 2019.

- Validity of any Part C completed on or after February 1, 2019 is extended until August 31, 2020.
- Update Parts A and B of the AHMR within two weeks of your departure to camp. Download here: <https://www.scouting.org/health-and-safety/ahmr/>

This must be the most current health form with the new sections / wording that was optional for this summer but would have been required in 2021

Option 3: Participants with no Part C or one prior to February 1, 2019, this includes all new members.

- Attach a completed alternate exam (sports, school, annual well exam at pediatrician) completed on or after February 1, 2019. This will be accepted as a valid Part C until August 31, 2020.
- Update Parts A and B of the AHMR within two weeks of your departure to camp. Download here: <https://www.scouting.org/health-and-safety/ahmr/>

There will be no other exceptions outside these parameters.

Information from the Centers for Disease Control and Prevention (CDC) states that older adults and people of any age who have serious underlying medical conditions are at higher risk for severe illness from COVID-19. If you are in this group, please ensure you have approval from your health care provider prior to attending camp.

Anyone whose medical condition or history has significantly changed since their last physical exam have approval from their health care provider prior to attending camp.
