THE CHAPEL RENOVATION PLAN

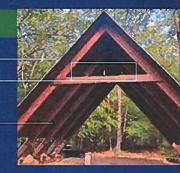

For years, we have seen the decline of our cherished Chapel at our RSR Camp in Morris, IL. This year our Council Board approved a \$35,000 renovation plan which we are calling Development of Faith in Our Youth.

The renovation plan improves our place of worship for interfaith services and religious activities. One part of our Scout Law is that a Scout is Reverent. Never before in our history have our youth needed more faith, hope and love to build a better world.

The enhancement of the chapel will include:

- · Metal roof repair
- · Bat deterrence
- Power washing and staining of the entire structure

PHASE 2: TO BE COMPLETED

- New benches, altar and podium
- Landscaping including patio and handicap access

Even more notable to the campaign is an effort to expand religious opportunities for our youth through:

- Development of our first Annual Interfaith Hike
- Expansion of our Religious Emblems program for both youth and adults (add website)
- Support the cost of religious medals and ceremonies for all award recipients
- Provide access to the chapel and RSR grounds upon application and approval to all area religious organizations
- Development of an annual \$1,000 scholarship to support one Scout attending college, university or seminary and studying Religious Studies

YOUR SUPPORT IS GREATLY APPRECIATED.

Today, we invite you to be a part of our vision to strengthen our Mission of Duty to God and Country by investing in this revival through your resources of energy, prayers and financial support. Please prayerfully consider your gift and either contribute by scanning the QR code on the reverse decide, or fill out the donation form and mail-in or drop of at our Scout office located at 921 S.
