### Design Worksheet

#### 1. Brainstorming Ideas

Take a few minutes to think about what "Outdoor Adventure" means to you. Consider the following questions:

- What activities do you associate with outdoor adventures?
- What images or symbols represent nature and adventure?
- How can you incorporate these ideas into your design?

Write down your ideas here:

#### 2. Design Sketch

Use a blank sheet of paper to sketch your initial design idea. Remember to keep within the color limit and ensure your theme is clear.

#### 3. Color Palette

Choose 1 to 2 colors for your design. Write them down here:

- Color 1: \_\_\_\_\_
- Color 2: \_\_\_\_\_

#### 4. Final Design

Use the submission form to make your final drawing. Make sure your final drawing is clean, try not to have any eraser lines or marks. Make sure your lines are thick enough to be made into a screen print. It is what you want the shirt to look like.

#### 5. Submission Checklist

Before submitting, ensure you have:

- Completed your final design.

- Limited your color palette to 1-2 colors.
- Make sure you name, First and Last, and your pack number is on your design.

Good luck with your design, and we can't wait to see your creativity shine! Remember, your design could be the one that all Cub Scouts wear at the Day Camp!
