

Provisional Camping at Rainbow Scout Reservation

It's Back! This summer, we are bringing back the provisional "camp troop"!

What is Provisional Camping? Each week of summer camp, we will provide the adult leadership for scouts who are attending without their troop. All scouts signed up for provisional camping will join the provisional camp troop to experience all that RSR has to offer.

Do "provisional" and "traditional" scouts receive the same program? YES! The program, opportunities, fees, and deadlines are the same.

Why choose provisional camping?

- It's flexible: Come any week of summer camp that works best for you.
- Close to home: RSR is located within our council boundaries. Some council camps are located out of state, but we are fortunate to have ours located right here in Morris, IL.
- Great price: Fees for provisional camping is the same as the traditional Boy Scout youth fee
- More Merit Badge opportunities: One week of summer camp not long enough to complete all summer merit badge goals? Come back for another week!

Scout Requirements to Participate in Provisional Camping

- Be a registered member of the Boy Scouts of America
- Have a current BSA Annual Health Form (with Part C-physical)

Questions?

Camp Director: Alexis Yakich, alexis.yakich@scouting.org, 815-942-4450

**If provisional camping registration is too low in a given week, scouts may be assigned to a traditional troop to camp with to allow them the opportunity to take part in the complete RSR experience.
