Splash Academy

New to swimming? No problem! Splash Academy is designed to help Scouts build confidence and develop basic water skills in a fun, supportive environment. Led by experienced aquatics staff, this program focuses on water safety, floating, kicking, and basic strokes, ensuring every participant feels comfortable in the water. Scouts will also work toward passing the Swimmer Test and completing Second and First Class waterfront requirements. Whether it's their first time at the lake or just a chance to improve, Splash Academy is the perfect way to make a splash at Camp Shenandoah!

Mile Swim

This session provides Scouts and adult leaders with an opportunity to exercise through recreational lap swimming. Participants who complete specific training swims on Monday, Tuesday, Wednesday, and Thursday will be invited to participate in an open-wa - ter mile swim on Friday morning.

OFFSITE CAVING								

	Prerequisite Requirement	Fee	Notes
Caving		\$40	

Caving Trips

Vivid Earth Adventures will provide guides, first aid kits, helmets, headlamps, and gloves for participants. Camp Shenandoah should advise participants to wear clean clothes under long pants and long sleeves and bring a change of shoes and socks. The cave owner discourages individuals from changing in view of the road and houses.

Participants should also bring bags for their muddy clothes. Caving includes walking, crawling, scrambling, use of handlines, and optional tight squeezes. The cave is located near Mt. Sidney, VA.

Again! Long sleeve shirts and long pants required!
