

A Boy Scouts of America
Wilderness First Aid Course
will be held May 11th, 2024.

All attendees must preregister.

- <https://scoutingevent.com/773-75340>

Note: This is a hybrid course. The first part of the course is online academic training. The second part of the course is skills demonstration. Participants **must** complete the online academic training prior to attending the skills demonstration class on May 11th. **Exceptions cannot be granted.**

Location: Spanish Trails, Camp Euchee, Dining Hall

On Saturday, May 11, 2022

- Sign in begins at 8 AM
- Class runs from 8:30 – 5:00
- All participants must be AED/CPR qualified and current to receive credit for this course.
- AED/CPR training is not provided during the Wilderness First Aid training. Participants have the option of showing that they are CPR/AED current or completing the hybrid CPR/AED class that culminates with skills demonstration Saturday morning (0730, May 11) at Camp Euchee.

For more information, contact Chad Nelson at c_inelson@yahoo.com or 252-626-6616.

This course is offered by the Emergency Care & Safety Institute in association with the American College of Emergency Physicians (ACEP) and the American Academy of Orthopaedic Surgeons (AAOS).
