

Merit Badge Prerequisites 2024

Unit Leaders, we will not be able to fully sign off the following merit badges listed below. Your final end of week advancement report will list these merit badges as partials for Summer Camp 2024. Scoutmasters can then take that advancement report, and work with their local merit badge counselors to sign off and authorize any prerequisites that were completed outside of camp. We aim to complete all other merit badges pending weather and time.

- Personal fitness - partial 1b bring in a note from a parent about the dentist. Req. 7 & 8 can be completed before camp, but you must bring documentation that it is complete for the counselor to sign off
