CUB SCOUT BICYCLE RODEO

SATURDAY, JULY 19TH

10AM – 12PM

Lynn Haven Methodist church

3203 Minnesota Ave – Lynn Haven, Fl 32444

\$10 PER YOUTH – PATCH INCLUDED

Join your fellow Cub Scouts for a fun, hands-on event designed to teach children and families essential bike safety skills. Participants will go through a safety course, where they will learn important maneuvers, traffic signals, and how to ride safely in various scenarios. The event also includes a bicycle inspection to ensure each bike is in good condition, with a focus on proper helmet fitting and tire checks for a safe and enjoyable ride.

Lions, Tigers, Bears and Wolves will have a chance to complete all requirements for their cycling adventures.

Webelos will complete all requirements except for their 5-mile bike ride/planning. AOLs will complete all requirements except for their 10-mile bike ride/planning.

Your child isn't a Cub Scout yet, that's ok! Bring them out to learn some bicycle safety tips. If you have been thinking about joining, we can help with that too.
