Cub Scout STEM Day

Fearful Symmetry Nova

January 16th at STSR
9:00am - 2:00pm

Cub Scouts will learn and explore the concept of symmetry in nature and the world in which we live.

Cost is $12. Scouts and adults can purchase pizza for lunch for $5. Nova patches are available for purchase for $7, and Pi pins are available for $4. (A scout's first Nova earns the patch, and subsequent Novas earn the Pi Pin.)
