

Normandy Camporee 2024

Bungalows Catalogue

A certain number of bungalows have been made available for Scouting use during the Normandy Camporee 2024. Below you will find information about the various options, including pricing, photos, location, and amenities.

We are committed to providing a safe and fun experience for all participants by following [BSA's Youth Protection Guidelines](#). Please ensure that all campground and bungalow reservations in your group are made in adherence to BSA's YPT guidelines. Cub Scout family units may reserve bungalows, and Cub Scout parents and legal guardians must review the "[How to Protect Your Children from Child Abuse: A Parent's Guide](#)" that can be found in the front of each Cub Scout Handbook. Scouts BSA Troops, Crews, and Ships may also reserve bungalows provided that they follow the regulations of two registered adults per bungalow and youth with a maximum two years apart in age. Normandy Camporee staff reserve the right to cancel your reservation if these guidelines are not adhered to.
